Dedication

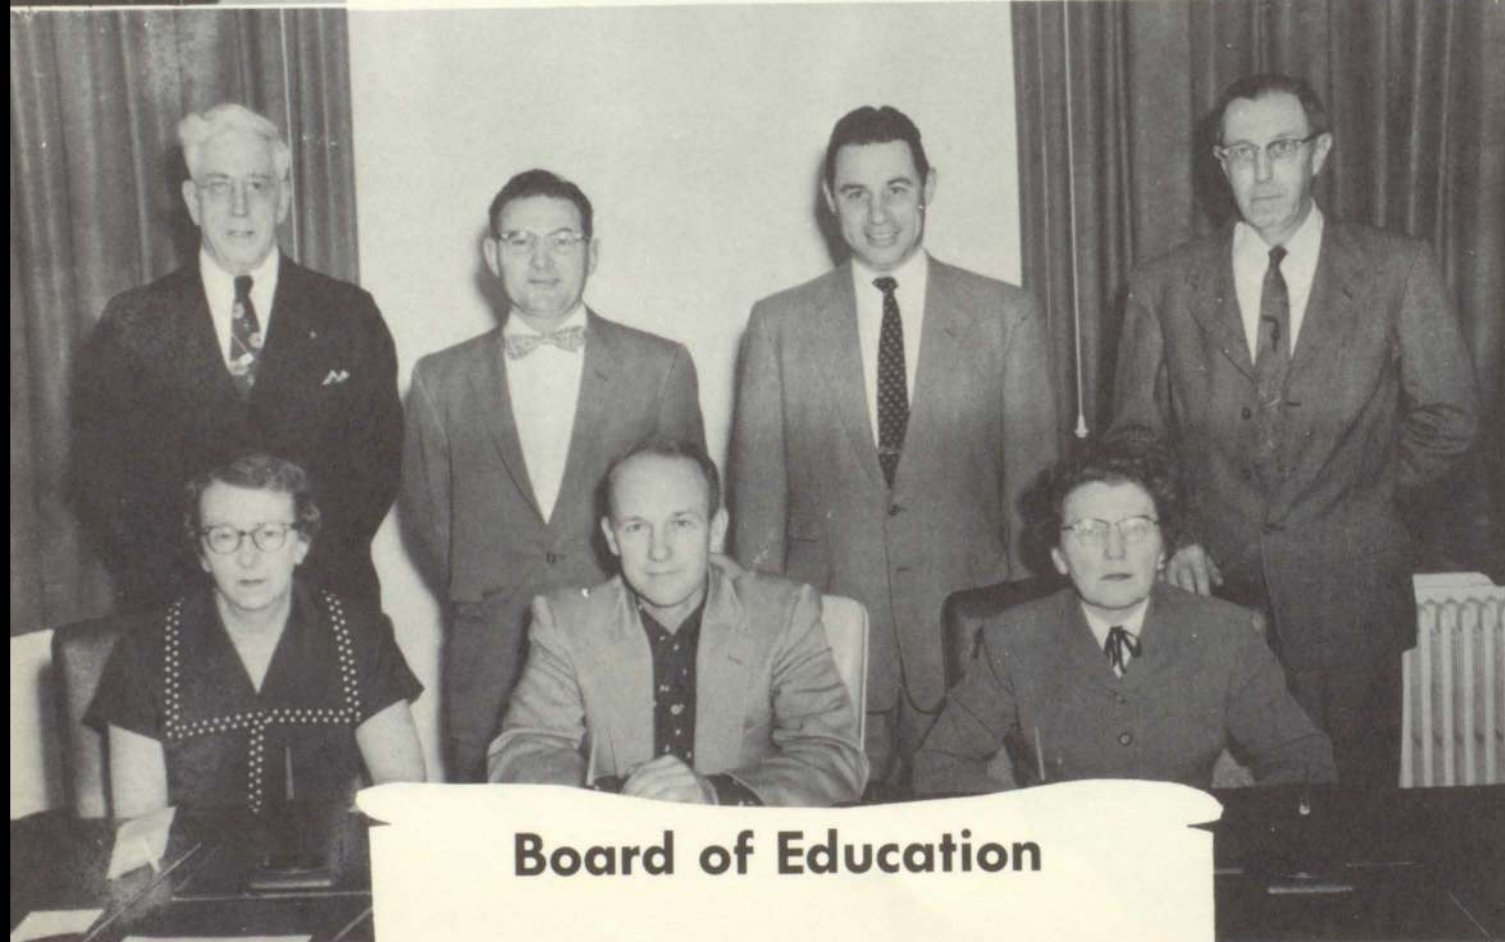

We, the class of '57, take great pride in dedicating this yearbook to Mr. Ball, in recognition of his service to our school and our community, and in grateful acknowledgement of his guidance in all our activities, especially in the preparation of the Greene Lite. We will always be grateful to him for his assistance.

Administration

Administrative Council

Board of Education

Congratulations to the class of 1957 for your fine school spirit as evidenced by your participation in all school activities. Continue to give of your time to worthy causes, think highly of your ability and set a goal for yourself. If you do, you will be a success in life well worthy of the trust placed on your shoulders by previous generations.

Robert N. Bennett

Mrs. Seymour

On behalf of the faculty and other personnel of Greene Central, we wish to thank you, the class of 1957, for your cooperative contribution toward maintaining the high standards of your school. It is our fervent wish that this educational experience has left you with a fuller appreciation of the wealth of graces bestowed upon a country which bases its strength upon the worth of the individual; and, that the attitudes inculcated in your training will serve to perpetuate this birthright of democracy.

Mrs. Loomis

"One ship drives east and another west
With the self-same winds that blow,
'Tis the set of the sails and not the gales
Which tells us the way to go."

You are graduating this year because,
long ago, you chartered your course
aright. Congratulations upon your success,
Class of 1957. I salute you as the
graduates of today--the citizens of
tomorrow.

ALMA MATER

Oh Greene, our dear old high school
For thee we raise our song,
With all our hearts and voices,
Thy memory prolong;
And often may we hail thee
Our ALMA MATER dear,
With songs of love and friendship,
Thy noble name revere.

Cheer loud and long for G.C.S.--
High let her banners wave,
We'll fight to help the Greene High win,
We'll die her name to save.
