GREEN LITERENE

DEDICATION

We the Class of 1958, take great pride in dedicating this yearbook to one of our most beloved teachers, Miss Venner. With grateful hearts and fondest memories, we recall the special attention she has shown each of us. Her guidance and aid during our formative years in Junior High will never be forgotten.

SUPERVISING PRINCIPAL

To the Class of 1958:

Best wishes for success as you move into troubled waters.

We trust you are prepared to select your life's work and will do a good job in your selected vocation.

Whatever you do, wherever you go, remember we, at Greene, expect only the best from you.

ROBERT N. BENNETT

Mrs. ELLA SEYMOUR

VICE PRINCIPAL

Many will remember the graduating year of 1958 as the year public education assumed the role of "whipping boy" for all who cared to criticize human behavior.

Education is not an automat into which we put good marks and get back an ample serving of American luxuries.

We hope that each of you has learned that education in a democracy is based upon the importance of people--all people--and each person is not only responsible for his own success or failure but must assume a share of responsibility for the success of the group.

ANDREW W. PEARL

Miss LOIS FLANAGAN

GRADE SUPERVISOR

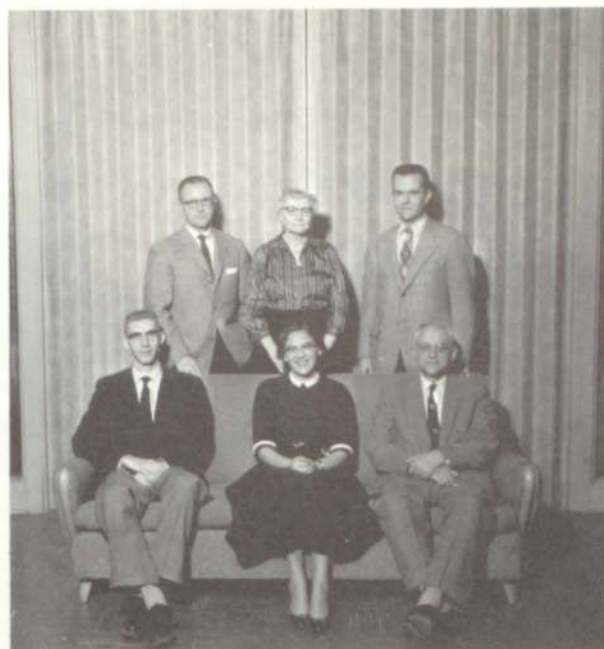

Class of '58, we are proud of you and your success. Throughout your school years you have proven yourselves students of high ideals. Commencement is not an end but rather a beginning - there are new concepts to grasp, new educational opportunities to develop, and new careers to enter. May the same desire for superior achievement continue to influence your future work.

To the Juniors, we leave our beloved Senior Study Hall, and all privileges due to the Seniors.

John Adams leaves those naps in history class to Bruce Hopkins.

Roger Allen, George Howard, and Garland Jacobs will their quiet ways to Mary Eaton, Barbara Breck, and Ann Burruss.

Jeanette is giving her cheerleading ability to all future tryout participants who feel they need it.

To Carolyn Parks, Lorraine Barrows is leaving "Blaze."

Arthur Bilco wills that red sports jacket to Dave Aiken.

Duane Birch passes on his tardiness record to Tony Balunas.

Now that George Brockway is leaving, he wills his boyish charm and his way with the girls to Tom Osborne.

The combined brain power of Courtney Bryant and Gary Esolen goes to all future victims of the ineligibility list.

What more could you want?

To Alan Eddy, in hopes that he'll make good use of it, goes Pam's baton.

No! You won't catch Linda Bullock leaving her diamond to anyone.

Evelyn Bunt bequeaths her golden curls to Louise Baron.

Janet Burrows wills her athletic ability to her sister.

To Mr. Ball, George Carr is leaving his "buzz bomb" along with the key with which to wind it.

Maxine and Linnea are taking their boyfriend's cars.

Joan Ingraham's acting ability is going to the Junior High Dramatics Club.

Sylvia Ingraham is keeping Cy but leaves her good luck to all who need it.

Chuck Young wills his car to anyone who dares drive it.

CLASS PROPHECY

At last, I've received the assignment for which I've been waiting. The editor of the "International Journal" wants a report on all the members of the Greene Central graduating class of twenty years ago. I zoomed off in my supersonic jet plane and arrived in Greene a few minutes later.

As a starting point, I went to the mayor's office and picked up His Honor David Muzzy to help me gather my needed data. We headed for the new school which had just been completed. Its new super-ultra-modern structure was designed by the universally famous architect, Dieter Schneider. The construction work was done by the Roger Allen Construction Company with George Carr as head foreman on the job. Melvin Eldred, we hear, was head electrician.

Inside the school we see that several 1958 graduates are employed. Jeanette Baron is in the English Department, Gary Esolen is teaching history and Peg McGraw is the head of the Business Department. In the Phys. Ed. Department, we find that Marilyn Scholefield heads the girls division and Ken Lobdell, in the boys division, is also coaching football and wrestling. Cecile Orr is teaching Home Economics and Billy Churchsmith is head of the Ag. Department. We also met Linda Bullock in the hall. She is substituting in the Math Department and she suggested that we go down in the grade section and visit Debby Granger, who is now Grade Supervisor. Upon entering her office, we were very surprised to see that Sylvia Ingraham is her secretary. She informed us that she's working part-time at school whenever they need her. We had a very pleasant talk with Debby and learned that Carol Moorehead and Sylvia Mettler also work at school. Carol is the Dental Hygienist and Sylvia is head of the cafeteria staff. We also learned from Debby that several of our class members have made quite a career for themselves in the armed services. Cindy Steere received her commission as Lieutenant last week and Betty McLaud is doing famously as her personal secretary. General George Howard is serving on the Intercontinental Ballistics Bureau as an expert in the rocket field. Leo McGowan has a top position in the Pentagon in Washington as General Howard's aid.

Reluctant as we were to leave, we had to be pushing on for we had many more facts to discover. David informed me that traffic laws are well enforced in Greene by Constable Harlow Hemminge, of course. We stopped by the hospital briefly to say hello to Doctor George Brockway and his three nurses, Gertrude Stalker, Linnea Centerwall, and Janet Burrows. Also employed there are Ellen Luce as the hospital dietician and Pam Bullett as Doctor Brockway's secretary. We inquired of Pam if she happened to know what Lorraine Barrows was doing these days. She said that Lorraine and Janice Smith were stewardesses for one of the big airlines owned by Bob VanSlooten. In fact, she said that they were expecting Lorraine to arrive that very day on Captain Ray Patton's jet flight from Miami.

As we left the hospital, I asked Dave if he knew what had happened to Courtney Bryant. It seems that Courtney has risen to great heights in the business world. In fact, a month ago he made his first million which is nothing to be sneezed at these days. It seems that Mr. Bryant got hold of some property on the moon, and through the salesmanship techniques of his employee, Alex Taylor, he has made his fortune in real estate. Also huge successes in the business world are Tom Gurney and Fred Aldrich, who, as business partners, now own and operate the biggest comic book establishment in the Universe.

As the next step we went over to the Chenango American office, where Esther Weir and Judy Hobbie are employed. Here we discovered some facts about those members of the class who had moved out into the world. For instance, we learned that Evelyn Bunt and Maxine Oliver are running a very successful school for models in Hawaii. In fact, two of their graduates, Joan Huntley and Janice Cole, have top jobs at Marge Gridley's fashion salon in New York City. In politics, Joan Ingraham is becoming quite well-known. This month she is running for Congresswoman with Marcia Hibbard as her campaign manager. To our astonishment, four members of the 1958 class have made names for themselves in show business. Marta Winans is MC of a popular variety show on television and recently she has had such performers on her show as Arthur Bilco, King of the Bongo Drums and Donald Schmidt, "Mr. Music Himself." We also heard that another member of the class, Scott Mersereau, is bringing back that popular style of the roaring fifties, "rock and roll," with his rendition of "Hound Dog." We then learned that Duane Birch is giving lessons at the new golf course on the moon.

All too soon we had to leave, and on passing the local grocery store, we were surprised to learn that it is owned by John Bennett who, incidentally, owns the whole chain. At the Raymond Corporation, we met Janet Soules and Florence Farnham who are secretaries there. In talking to us, they mentioned that Donna Estelle, Marylea French, and Patsy Lobdell own a successful beauty establishment in India. They also told us that Harold Griffin, Gary Huttleston, and Garland Jacobs are operating a space ship refueling station somewhere in South America. Bill McGowan and John Adams are engaged in a new farming experiment for the government in Alaska.

While escorting me back to my jet, Dave filled me in on the remaining three members of the class. This month, Ken Cobb, Chuck Young, and Bill Ingraham are representing the United States in the Olympic games as members of the track team.

Well, that finishes my assignment. I have to hurry back to the office now and get this typed up for tomorrow's edition. It certainly has been a worthwhile and interesting assignment.

During the summer the band participated in several competitions such as the Norwich Band Day, the Whitney Point Fair, and the Afton Fair. They placed or won in all contests entered. The entire band consists of 74 members of which 60 make up the concert and marching unit. Eric Hoag, Greene's first cornet, won the competition for that position in the Junior All-State Band. Events to be held at Greene Central in which the Band will participate are the Chenango Band Festival and the Susquenango League Festival. The Band has jumped to a higher grade in musical competition. Interest is high and the Band looks forward to another fine year.

FOOT

At the beginning of the year the team showed great promise in their scrimmage against the experienced Vestal squad. The team got off to an explosive start by defeating Cooperstown and Walton. Hampered by Asiatic flu and a series of crucial injuries to key players, the team faltered and was unable to register a victory during the remainder of the season. However, they demonstrated great potential and their "never-say-die" spirit predominated throughout all of their games. The 1957 season was certainly one of which we can be proud.

There will never be excuses for the team that we had in the fall of 1957. I sincerely believe that the boys have been and are raising the standards of football at Greene Central. The game is worth nothing without the ideals of good sportsmanship, fair play, and many other essentials.

I only hope that our future teams can compare with our past seasons team, because it was outstanding in all ways and a credit to Greene Central.

As the yearbook goes to press, the varsity team of 1957-58 has an overall record of six wins in twelve games. In our league, the squad is presently tied for second place with five league games to be played. Highlights of the season have been come-from-behind victories over Whitney Point and Windsor in the closing minutes, a respectable showing against the undefeated league champion, Sidney, and a near upset against powerful Chenango Valley. On the eleven-man squad are three graduating seniors, Bob VanSlooten, Chuck Young, and Courtney Bryant.

In my first year as varsity coach, I would like to express general satisfaction with the teams' progress thus far. However, I want to stress that the remaining league games will decide whether this is to be a successful season.

WRESTLING

VARSITY: D. Sykora mgr.; D. Kelly, N. Orr, J. Norwalk, W. Harrington, D. Whittaker, C. Orr, R. Harrington, K. Cobb, R. Patton, K. Lobdell, D. Aiken, Coach Bub.

As the yearbook goes to press, the Greene Central Wrestlers stand six wins and two losses with three dual matches remaining in the regular season. February 22nd the team starts three weeks of tournament, to decide Susquenango League, Class B and Section 4 championships. The team should finish the season as strong as it began. In tournament play Greene has a good chance to capture several league and class B championships and possibly section championships.

To date there are four boys still undefeated in dual competition, Neal and Carlton Orr, Ken Cobb and Ken Lobdell. Fine individual performance and improvement throughout the season leaves it difficult to pick any one boy as outstanding. Carlton Orr, last years Section 4, 133 lb. champion has shown great promise and is favored to repeat in the 141 lb. class with the possibility of several teammates equalling his performance.

CROSS-COUNTRY

1st ROW: T. Osborne, G. Brown mgr.; R. Robbins.
2nd ROW: D. Whittaker, F. Morris, F. Aldrich,
Coach Spinney.

This year the cross-country team was rather small, but its six members were able to participate in four meets. In the sectionals at Newark Valley, the team placed fourth and Tom Osborne qualified to run in the state meet. He was the first Greene runner to ever participate in the state finals.

We tried hard, had a lot of fun, and hope to have a stronger team in '58.

Coach Spinney

COACHES

1st ROW: Mr. Hashey, Mr. Blakeslee, Mr. Maginsky, Mr. Keetz. 2nd ROW: Mr. Spinney, Mr. Bub, Mr. Prouty.

During the regular season the track team turned in a highly respectable record of five wins and two second place finishes in seven dual meets. The team really came to life in post-season activity, winning the Class B Sectional Championship. Greene was able to send Ken Cobb, George Ekstrom, and Stan Giles to the overall Section Four Championships where they again made a fine showing, although winning no events.

The baseball team turned in its best season in several years. In achieving a record of seven wins and one defeat, Greene won the Northern Division title and thus became eligible for the inter-divisional championship playoffs, where they bowed to a strong Windsor team. Bob VanSlooten, Ken Lobdell, Alan Eddy, Dick Najarian, and Dick Pope played key roles in anchoring the Greene titlists.

VOLLEY BALL

The Volleyball Club played two games with Whitney Point and also participated in the volleyball play day at Chenango Forks. Although Greene did not win all of its games this season, the girls tried hard, had a good time, and never lost by a large margin. Greene came in second in the volleyball play day with its A team undefeated and the B team with a record of 2-2. In the annual interclass play day, the Seniors were successful, as usual, in gaining the victory.

HOCKEY

Due to the flu epidemic, Greene's hockey team had only one competitive meet which was the big hockey play day here at Greene. The six other teams participating were Norwich, New Berlin, Bainbridge, Sidney, Whitney Point, and Winsor. Greene won the play day this fall for the fifth consecutive year. Janet Burrows and Judy Eggleston placed on the Honor Team and Marcia Hibbard was on the reserves. They also held an inter-class play day which was very successful.

If the number of participants is an indication of the interest of the girls in Greene's program of Intramurals, there is little room for improvement. However, a program like this always improves as additional activities are added. In the past year, modern dance, tumbling club, and tennis are among those activities that have been added. A revised point system for letters has been an incentive for active participation. Let us hope that the interest, enthusiasm, and good sportsmanship of all the girls continues.

SOFTBALL

ARCHERY

Last year the archery team placed first in the B division of the National Mail Tournament. In the Central New York High School Tournament we placed first for the seventh consecutive year. This summer, Marilyn Scholefield, Lorraine Barrows, Catherine Marvin, and Janet Burrows took the first four places in the New York State Open Tournament, Junior Division. Last year's team also held three clinics. The 1958 season looks very promising and the team hopes to bring home even more honors.

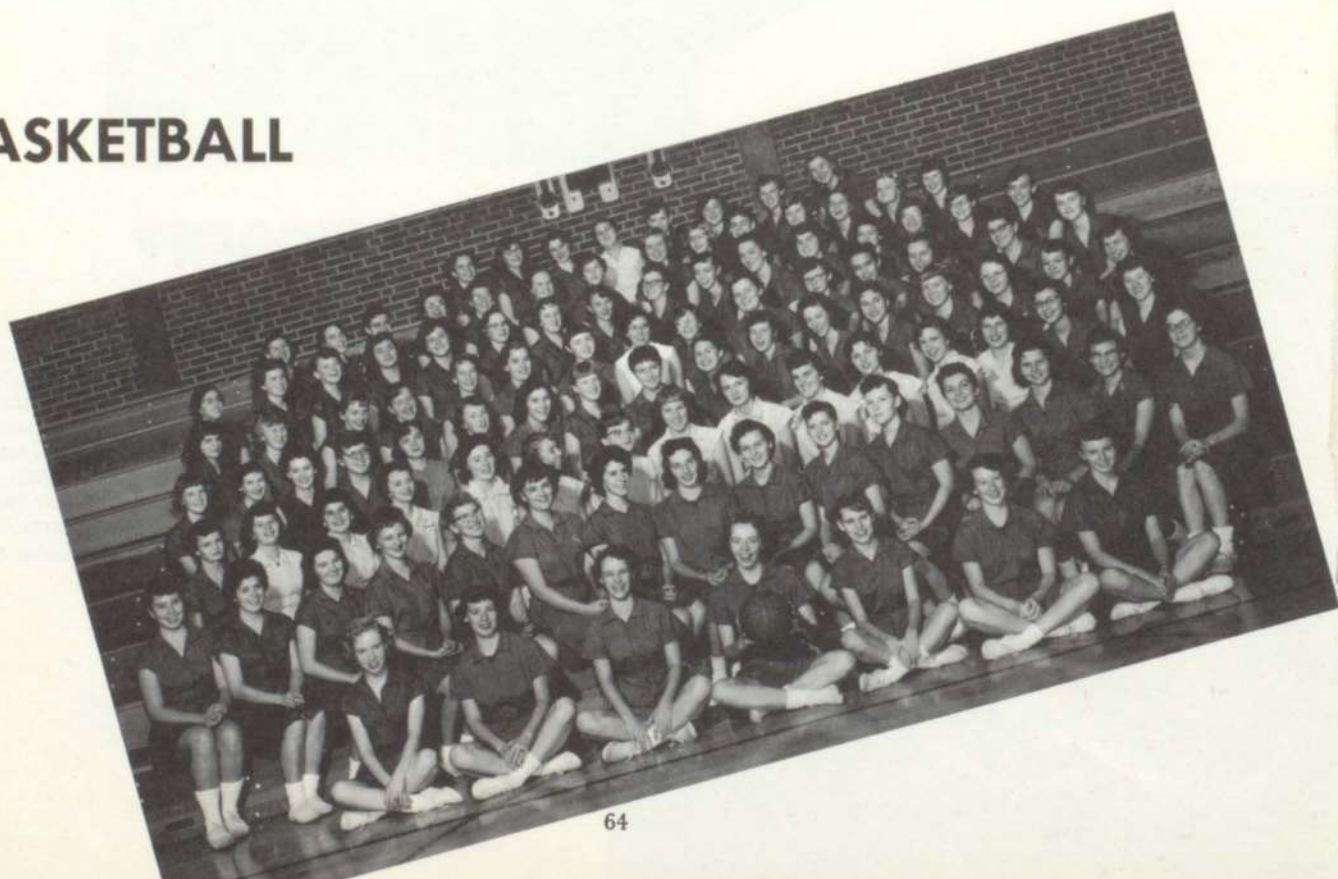

MODERN DANCE

The Modern Dance Club, though rather small, is very active. Five of its members danced at the Christmas pageant and the entire club danced for the annual gym demonstration. At the present, the club is also planning a spring recital.

BASKETBALL

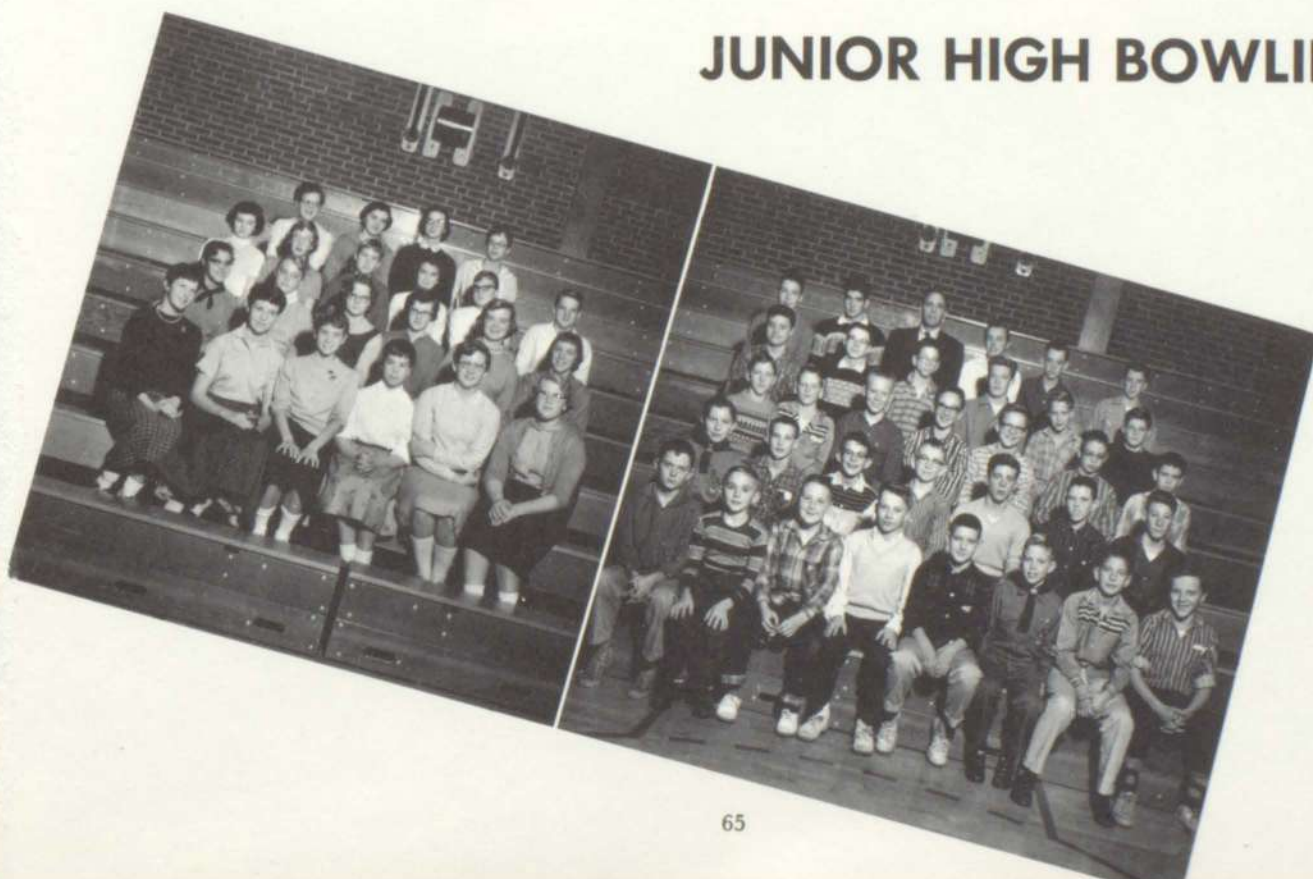

SENIOR HIGH BOWLING

The Bowling Club this year is a very active group. There are eight high school girls' teams and six junior high teams. On February 10, the team attended its first bowling play day at Sidney. The club also participated in the annual bowling competitions in Johnson City.
