"There is nothing more fright-  
ful than Ingorance in Action"

And don't come back Eckert!

"Do you want a Black Mark?"

"According to Italian Rules. . ."

But fellas I never touch "The  
Stuff!"

As the end of the school year rolls around, the most enthusiastic remark one is likely to hear is "Lemme outta here!" But at the same time we realize that each year has its distinguishing features which set it apart from all others.

Unfortunately, as the years slide by, our memories lose their edge with constant use, and are apt to become indistinguishable, one from the other. It is the job of the Yearbook, as seen by our staff, to sort these memories out while they are still fresh, and place them in their proper position, so that they may be easily referred to in future years. So, as the best known cure for nostalgia that is known, we offer you the 1964 Greene Lite for your approval!

## DEDICATION

MRS. CORINNE MAXON

Mrs. Corrine Maxon has acted in her capacity as a Home Economics teacher at Greene Central for several years, and her many students would probably unanimously agree, were we to say she is one of the best.

To say that she was a good teacher would reveal only half of the picture, however. Acting outside the classroom, at various duties such as club sponsor, class advisor and the like, she has become an indispensable member of the Greene Faculty.

We seriously feel it is about time that her efforts were recognized, so, with great pride, we dedicate the 1964 Greene Lite to Mrs. Maxon.

MR. BENNETT  
District Principal

To The Class of 1964:

This year it has been my opportunity to work more closely with your class. It has been a pleasure.

When you leave the halls of G.C.S., try to think of your experience here, what this means to you in the future. Don't let this be the end of your education process. Continue in every way possible to build on the foundation that has started here.

We all wish you the best as you travel along the road of life. Use it wisely.

*Rn Bennett*

## BOARD OF EDUCATION

SEATED: Mrs. I. Flannagan, Mr. Raymond, Mrs. L. Flannagan.  
STANDING: Mr. Weir, Mr. McLean, Mr. Burrows, Mr. Race.

MR. PEARL

To the Class of 1964:

Commencement indicates but a continuation upon a way through life which you already have elected. Your high school education has been successful only if it has given you direction, impetus, and a purpose for living. Only 60% of those who were born in America the same year as you are being graduated from high school. You have enjoyed a common privilege in a free society, may you guard with uncommon vigilance the heritage that has made this privilege possible.

The faculty joins me in wishing you success. We shall fondly remember the class of '64.

*Andrew Pearl*

MR. PALMITER

To the Class of 1964:

The world needs young adults with vision and integrity. May your achievements at Greene Central School open the door to you for a useful, significant service.

We wish you success and happiness in your endeavors.

*Floyd E. Palmiter*

MR. ELDRED  
Elementary Principal

Congratulations to the Class of 1964!

You have achieved a great victory in the continued development of mankind. The future is yours - use your new strengths to extend this future as a desirable place for oncoming generations.

May success always be yours.

*Robert Eldred*

Under Mrs. Churchsmith's able direction, this program has been largely successful, as reflected in the individual success of its members in assuming their careers.

We are proud of the endeavors of these people, and hope this class remains a part of Greene Central as long as there is a need.

The Council has several projects which it hopes to carry off this year, including a Student Council Newsletter, a carnival, a foreign exchange, and numerous others. At any rate, you will be hearing a great deal from the Council this year and in years to come.

It has been a privilege to work with these people, and this will undoubtedly prove to be a rewarding experience for all concerned.
