Foreword

Though nothing can bring back the hour of splendour in the grass, of glory
in the flower; we will grieve not, rather find strength in what remains be-
hind.

The class of 1966 wishes to leave its yearbook as a permanent memorial to Mrs. Maud Paddleford, who was a dedicated member of the G.C.S. faculty for more than twenty-five years. During these years she worked devotedly and unselfishly for the betterment of the student body.

In the memories of our high school days we shall not forget her contributions to our education, not only as a teacher, but as an advisor and a friend.

She devoted her life, even until the day she passed away, to the enrichment of our young people. Therefore, it is only fitting and proper that we dedicate our yearbook to the memory of one who did so much for us.

A Fair Exchange

Mr. John Langrehr, our exchange teacher from Australia, has been a very pleasant addition to our faculty. His informative, yet friendly attitude has made him a favorite of the entire student body.

Mr. Donald Enz

*FACULTY AND
ADMINISTRATION*

TO THE CLASS OF 1966

Thank you for your large part in making my first year as High School Principal a very happy one.

I am proud of your academic achievements, your extracurricular accomplishments and your unselfish service to the school. However, as excellent as your records are in these endeavors, not one is more important or better than your individual records of effort and good citizenship.

Persist and may success be yours!

Sincerely,

Roland F. Wolford
High School Principal

TO THE CLASS OF 1966

It seems just a few short years ago that I had you present graduates in eighth grade social studies. Time passes quickly, as do opportunities. Always be ready to do your best when an opportunity presents itself.

I have a favorite expression I use for my athletes and I am sure it will apply to you in your quest for success. "You must be lucky to succeed, and the harder you work the luckier you become."

Sincerely,

James A. Consagra
Administrative Assistant

TO THE CLASS OF 1966

It has certainly been a pleasure watching you grow and develop as successful young people heading out on your own.

The challenges facing you are many. Decisions of importance, especially those of the boys, must be made with careful thought.

I sincerely hope that those going to college, will use their background as a spring board to complete their education. For others, I trust this same background will contribute to a long and successful life.

Sincerely yours,

Robert N. Bennett

Robert N. Bennett
District Principal

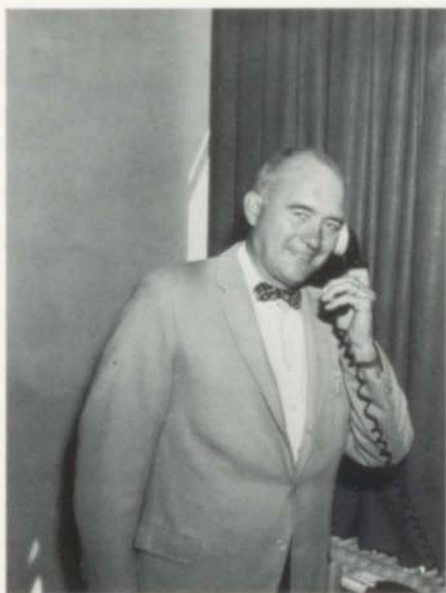

TO THE CLASS OF 1966

How very different your present outlook on life is now compared to a short time ago. This past year you have grown in strength of mind and body, developed tolerance, self-reliance, and leadership through association and co-operation with each other.

Continue this enrichment through life... working together....whether together or apart.

THE MUSIC DEPARTMENT

This year's music department has been busy with varying activities in each of the divisions. Concerts, parades, competitions, and annual community participations have kept them all working hard to bring to the public a department of which we can all be proud. We are especially happy to welcome Miss Hewitt, the new chorus director, who has given much of herself to help the students provide Greene with the kind of entertainment that they enjoy. Our band and band front units have done our community proud in its competitions and community performances. The Dance Band has performed for plays, dances, and PTA meetings for which we want to thank and assure them that they are truly appreciated. We are sure that the whole department has worked hard and the results certainly show the amount of effort put forth by each of its members.

The Team

Freshman Football

FOOTBALL

The past season has been an inspiring one for Greene Central football. The attitude of the boys was one most important factor contributing to the success of the teams. The Varsity team won its first five games and then lost a well fought game to Whitney Point for the championship. The score was 6-0. The Varsity split the last two games and ended the season with a fine 6-2 record.

The J. V. team consisting solely of sophomores, had a record of 3-4. Many of these boys showed a high potential and should add much to next year's Varsity squad.

The Freshman team had probably the most impressive record of all . . . they won every game and were scored upon only in their last game. Their total score for the entire season was: GREENE--120
OPPONENTS--6

Cross-Country

The team started the season with only Steve Jenks as a real contender but all the members improved so much that they never were below 2nd place in any meet and they won the League Championship for the 4th year in a row. It was a real team accomplishment under the leadership of Steve Jenks. Next year's left overs are: Michael Flanagan, William Spencer, Phillip Pratt, Harry Sullivan, Howard Wheat, Larry Pratt, and David Oleniacz. Coach: Harry Blakeslee.

These seniors retiring: Steve Jenks (capt.), Charles Hart, Paul Benedict, Donald Brown, and manager Ernest Brightman.

Varsity Basketball

After the dismal month of December (3 losses in a row), the boys started to improve with every game. Greene beat a fine St. Rose team in the Christmas tournament.

One of the biggest wins of the season was a victory at Delhi. Of the last 13 games, Greene won 11.

The Junior Varsity basketball team provided an exciting season for Greene Central School fans. With sophomores Gary Holdredge, Roger Smith, and Dale Wolford leading the attack, the Fargomen unceasingly up-ended their opponents. Although impaired by injuries to critical players, the team finished the season with an impressive record. Good sportsmanship, fine teamwork, and a desire to win were contributing factors to this fine year. Backcourt man Dale Wolford was leading scorer for the club with an excess of two hundred points.
