Foreword

*"So long as men can breathe or eyes can see,
So long lives this, and this gives life to thee."*

Dedication

"Two roads diverged in a wood, and I...
I took the one less traveled by and that has
made all the difference."

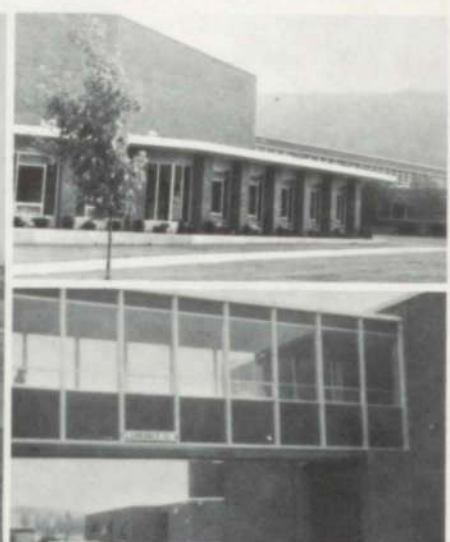

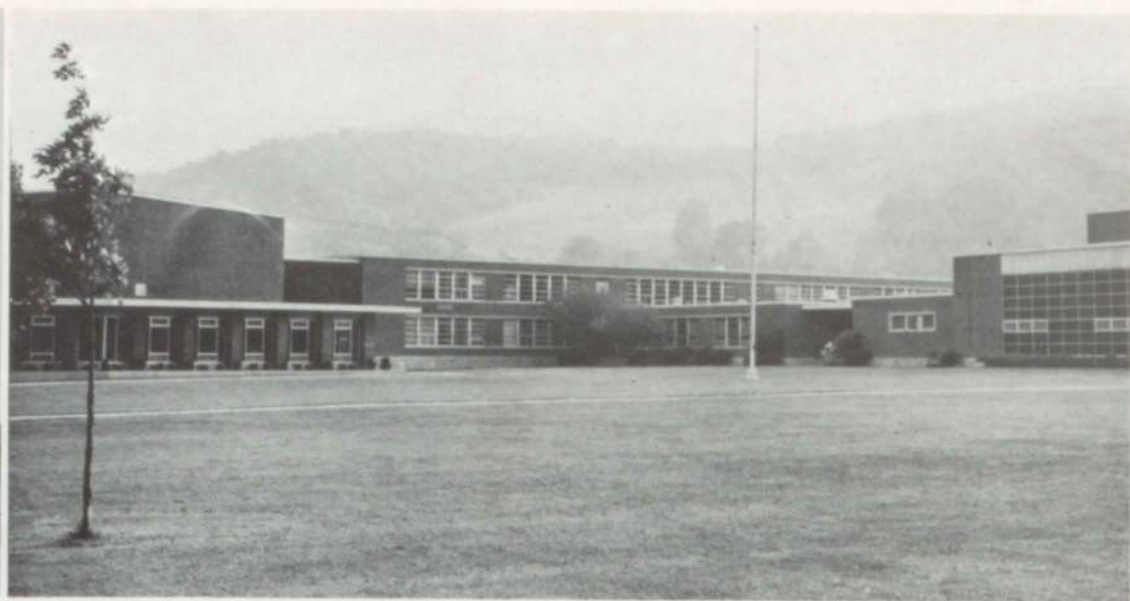

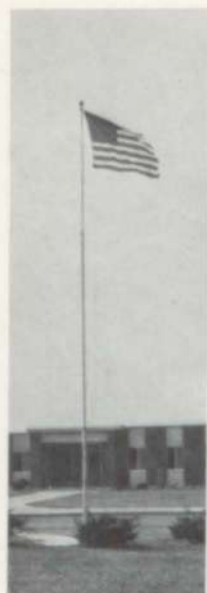

These words, once written by Robert Frost,
could be applied to another traveler of this
same road --Mr. Bernard N. Ziemski.

As a teacher Mr. Ziemski could never be
referred to as the norm, but always as the
exception. He made us conscious of our real
level of maturity; he brought the world into
our classroom, and it became a place where
we widened our spheres of knowledge and
understanding.

Yet the respect we hold for Mr. Ziemski
does not stem solely from his profession, but
also from the man himself. He remains an
individual who will not conform to the flabby
American image. For proof you need only ob-
serve him peddling his bicycle around town,
playing tennis in the spring, or skating in the
winter. His quick wit made many a day
brighter. Who could ever forget his whistling
his way down the hall refusing to be dis-
couraged--

It is for these reasons that we, the Class
of 1967, dedicate our yearbook to Mr. Bernard
N. Ziemski, sincerely thankful that he took the
road less traveled by.

*ADMINISTRATION
and FACULTY*

George Raymond, Jr.
Board of Education
1952 to date

George Raymond, Jr., president of our Board of Education, has given 15 years of devoted service to the school district of Greene.

During his tenure he has helped with three building programs -- necessary to handle a growing pupil enrollment. His vision and support have enabled Greene to become a forward looking school with facilities to best serve our area.

Every effort has been expended to make the G.C.S. program one that serves all youth to the greatest advantage.

Dedicated service to the leaders of tomorrow deserves recognition. Without the dedication of members of the Board of Education our goals could not be reached.

We salute George Raymond, president of our Board of Education, and the other Board Members for their service to our schools.

To the Class of 1967

May the efforts made at Greene Central School enrich your life in a manner which will benefit you throughout the years to come.

May the ideals stressed in school, church and home guide you and give you joy and happiness.

May success in your life's work be a credit to you and give you much satisfaction.

Our best wishes are with you.

Robert N. Bennett
District Principal

To the Class of 1967

Without detracting from the many other good qualities that you have as individuals, I take this opportunity to commend you as a class for your ability to "Put up a Good Fight".

Determination such as yours is rare. May it continue to produce "Winners".

Sincerely,

Roland F. Wolford
High School Principal

To the Class of 1967

Be prompt--do more than is expected of you and success will always be with you.

Esther Hermoza, an exchange student from Lima, Peru, stayed six months in Greene with the Towner family. The courses she took included social psychology, typing, family living, English, and American history. She participated in intramurals and sat in on other meetings. She told many groups about Peru and entertained them with her Peruvian Indian dances. When she returned to Lima she was planning on entering the Universidad "La Catalies" and majoring in history. We have enjoyed having her with us and hope she returns soon.

If anyone would like to write to her, her address is:

Student Council

The Student Council of 1966-67 began the year with the traditional "get acquainted" dance. Later in the year, they sponsored a "turn about time", when the girls at G.C.S. gave treatment royale to their men. In the spring, the Council is planning a student carnival - an often talked of event, but never before attempted.

These, however, are only secondary roles of the Student Council. The most important object of the year is to earn money to send a student to France in 1968. The Council has already sent two students in past years.

These things plus so many other school and community services have made the Student Council very much a part of the life at Greene Central.

Susquenango League All-Stars

Football

1966 Susquenango League Champions

Greene's long journey to the championship started four years ago. When this year's Seniors were playing Freshmen football against a tough schedule, they never won a game. At the fall sports banquet that year, Mr. Harris, the Freshmen coach, made this prediction, "Although we didn't win a game this year, this team shows great promise. I believe these boys will be the football champions of 1966."

Nobody thought very much about this prediction until the end of the 1965 football season when the Greene Trojans were the surprise of the league.

With seventeen returning lettermen from the highly successful 1965 team, and a lot of promising up-and-comers, the 1966 football season at Greene Central was bound to be a good one.

The team was lacking in weight with the average along the starting line at about 158 pounds. The backfield wasn't much better off with an average of about 160 pounds. But the Greene Trojans were the quickest and fastest team in the league, and although light, they made up the weight in sheer determination and desire.

The Trojans captured the 1966 championship not only with their teamwork, as they had no one individual standout, but also with excellent coaching from three very capable and dedicated men, Mr. James Consagra, Mr. Gordon Klumpp and Mr. Fred Merz. Not enough can be said about these men who coached the team and helped them bring home their much sought after prize--the 1966 Susquenango League Championship.

BOYS' ARCHERY TEAM

Archery is a growing sport here at Greene Central School. Now even boys are shooting! Last year for the first time Greene entered a boys' team in the National Mail-In Archery Tournament and they placed second.

National Girls Intermediate Archery Team

Last July a number of Greene girls went to the New York State Archery Tournament in Rochester hoping that they would be among the top four in the intermediate division. Supported by donations from local business organizations and individuals, they did go to the nationals where, under the instructions of Mrs. Lura Wilson, they won the national intermediate title -- setting a new record of 2,672 points. The girls also rated high in the individual competition. This is the eighth time that Mrs. Wilson has coached a winning team. To honor these great archers and their town, the site of the National Archery Tournament will be in Greene in 1967.

IN MEMORY OF **GEORGE RAYMOND, SR.** 1889-1967

A man dedicated to his family - his business and his community.

His interest and service in Greene has helped to make Greene a better place to live.

May his leadership be an inspiration for others to carry on.

Resolution

We, the undersigned, wish to state that before the publication of this yearbook we had had no previous instruction and we had no knowledge of its outcome. We wish to thank all those who in any way assisted us in our efforts to produce this - the

1967 GREENE LITE.
