EXCHANGE PROGRAM

The foreign exchange program is an opportunity for greater understanding between countries. The student picture project sponsored by the Student Council provides the money for a student to go to France. The Rotary sponsors the exchange with South America. This year, Cynthia Nenarella is studying in France. Patricia Auwarter spent the summer in Ecuador. Mario Rocco from Brazil stayed in Greene during the winter months.

STUDENT COUNCIL

The selection of Student Council representatives serves as a learning process for the entire student body. It is through this experience that students have their first taste of governmental workings and political action. At election time, each student has the responsibility of getting registered and voting for the candidate who will best represent him in the student government. This responsibility aids in the student's realization and understanding of what will be expected of him as an adult voter in our society.

Winning is fun.
Sure.
But winning is not
the point.

Wanting to win is the
point.
Not giving up is the
point.
Never letting anyone
down is the point.

Play to win.
Sure
But lose like
a champion.
Because it's not winning
that counts.
What counts is
trying.
