DEDICATION

"Life is a test, and this world a place of trial. Always the problems - or it may be the same problem - will be presented to every generation in different forms."

- Sir Winston Churchill

"The future does not belong to those who are content with today. Rather it will belong to those who can blend vision, reason, and courage in a personal commitment."

- Robert F. Kennedy

Therefore, in the future let us dedicate ourselves to achieving peace and to solving the problems our generation faces.

- The Class of 1971

"OPPORTUNITY"

"They do me wrong who say I come no more
When once I knock and fail to find you in,
For every day I stand outside your door
And bid you wake, and rise to fight and win."

- Walter Malone

"Man is a social animal"

- Seneca

TRIBUTE TO A FRIEND

TEACHER-OF-THE-YEAR AWARD 1970

Achievement represents recognition - a mark of success. The man to whom the Student Council dedicates its "Teacher of the Year" Award was a man of many achievements. He was a husband, a father, a soldier, a citizen, and, for us, a teacher. He was all these things. But, perhaps his greatest achievement was the universal regard in which he was held by everyone who knew him. We appreciated his sense of humor. We responded to his unfailing optimism, to the attitude that the world was good. We relished his basic head-on approach to life.

So this award is given to honor a man for what he was and for what he taught us life could be.

It is with sincere appreciation that this year's award is presented

to

Mr. Donald Crittenden

Randy Crittenden accepted
the award for his father.

SENIORS

We cannot change yesterday . . .

Before it is here.

Then what is the best for you and for me

Is to make today as complete as can be.

Over the years, we have been very proud of our sports teams. Although some teams may not have had as good a year as others, they have always had the spirit and the will to win.

One of our teams that has had an exceptional record of success is our archery team. Under the guidance and leadership of Mrs. Wilson, Greene Central has achieved the most outstanding record of National, State, and League championship in the U.S.

We are proud that Mrs. Wilson has been nominated to coach the first Olympic Archery Team.
