EQUINOX

- The Pivot Point
Of The Seasons
- The Point Of Change
From One Season
To Another
- A Time When Nature
Balances Itself
- A Time To Pause
To Look Back
And To Look Ahead

And So Too Our Senior Year Is An Equinox

- A Pivot Point
Of Our Lives
- A Point Of Change
From One Season
Of Our Lives
To Another
- A Time When We
Are In The Balance
- A Time For Us
To Look Back
And To Look Ahead

**Our 1980 Yearbook
Is Titled Equinox
Because We Have Here
A Chance To Look Back
At Our Senior Year
In These Pages**

- To Look At People
And At Memories
Which Have Been
A Season Past
- And At The Same Time
To Know That Ahead
Lies A New Season
- A Quite Different One
From All The Days
And All The Years
Which We Have Spent
At Greene Central

This Equinox Contains A Year Of Our Lives

- But It Also Contains Memories Which Go Back Through All Our School Years
- The Seasons Which Have Come And Gone Which Have Filled Our Lives With Memories
- Of Friends Who Have Shared Our Path And Of Teachers Who Have Shaped Our Path

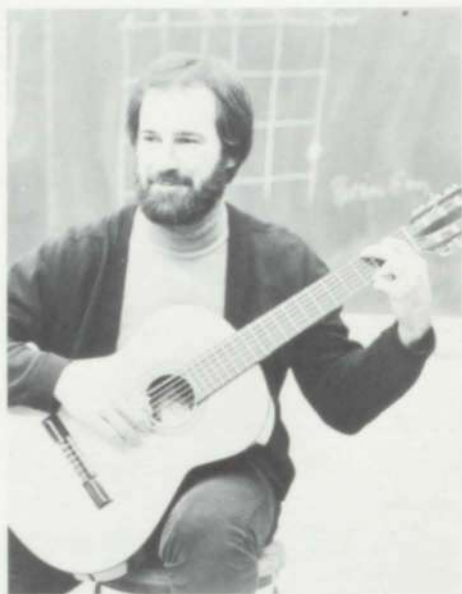

- As We Pivot To A New Season And Leave A Safe School World
We Will Take The Memories Of People And Experiences
With Us Even More Than The Images Of This Book
- Our Lives Will Be Shaped By New People And Experiences
But They Will Be Irrevocably Marked By The People
And The Experiences Of The Past Many Years

Certain Special People Have Done Things For Us, With Us, And Sometimes To Us During These Years Which We Will Never Forget. At This Equinox Of Our Lives We Want To Say Thank You To All Of Our Teachers And Our Friends Who Have Made Us What We Are Today

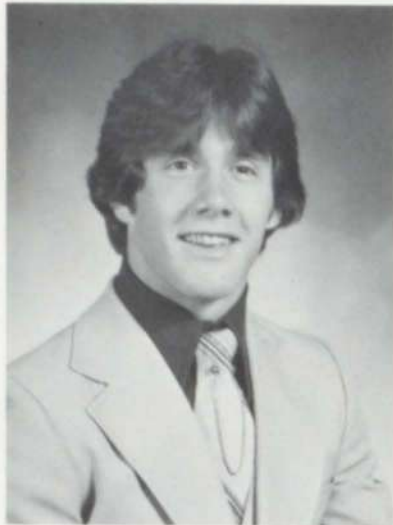

As A Class We Want To Especially Thank Two People Who, At Different Times Of Our Lives, And In Very Different Ways, Have Deeply Touched Our Lives. Their Contrasting Characters, Their Differing Areas Of Learning, And The Separately Unique Experiences Which They Have Shared With Us Are A Reflection Of The Diverse Character Of Our Class And Of The Complexity Of Our Lives. We Would Not Choose Between Them, We Love Them Both And Will Remember Them Dearly As We Leave Greene Central. With Deep Respect And Fond Affection We Dedicate Our 1980 Equinox To Mary Martin And Ida Luther

Thoughts On Friendship

There is nothing in the whole world like having a true friend, just one true, enjoyable, understanding friend. Friends are like bracelet charms that you truly love and enjoy - a part of the golden circle that makes life so good. No one should ever be so lonely that she doesn't have a friend - to find one you have only to smile and go out and help somebody. The heart has many doors, of which friendship is but one - yet this one is perhaps the widest and the richest. Thanks so much Sherri for being such a very wonderful friend.

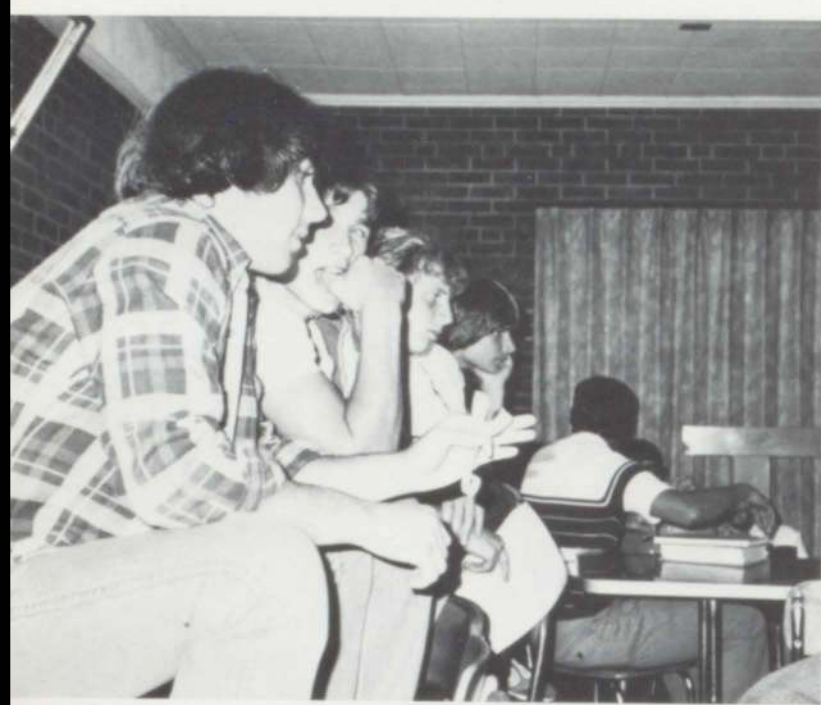

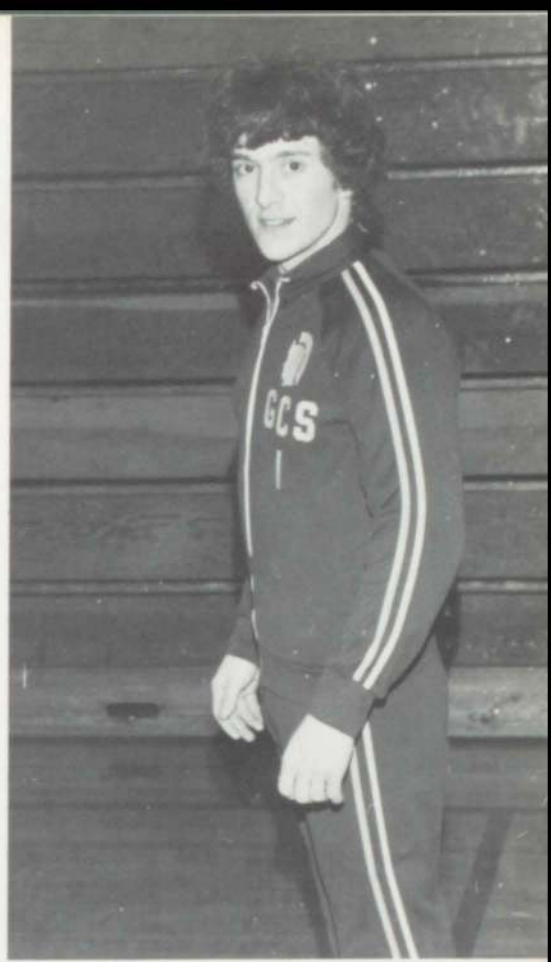

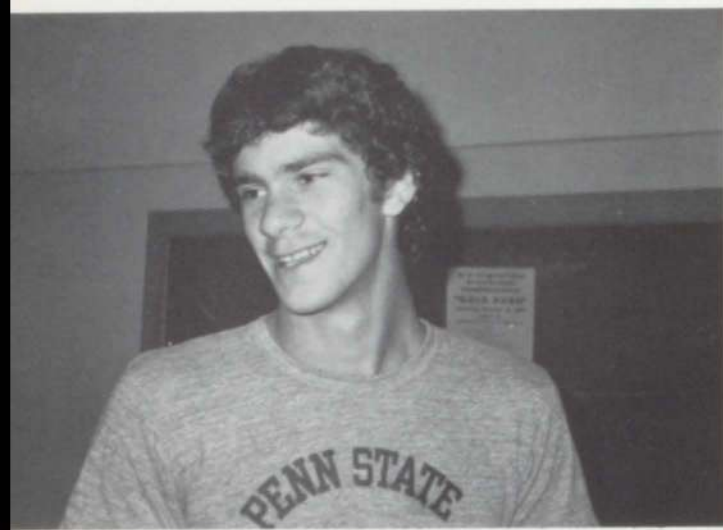

OK Fred, Let's Put A Little Life Into This Show!!

Girl's Leaders Club

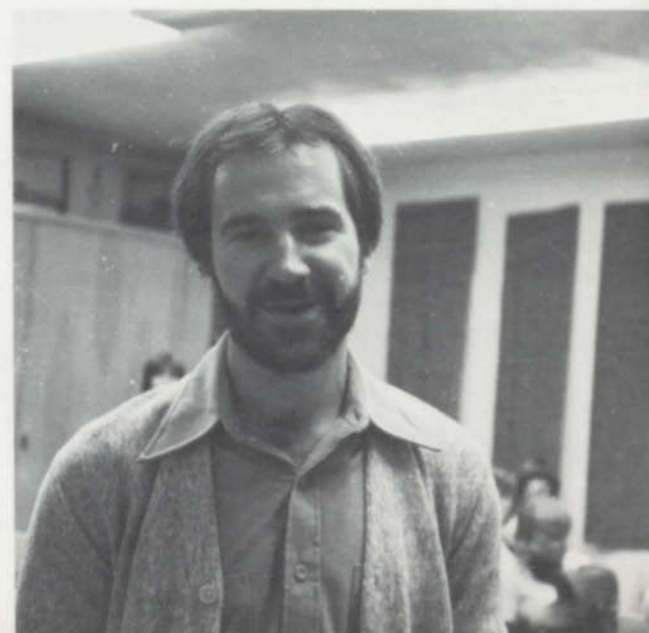

The Girls Leader's Club has created a tradition with its annual Banquet and Awards Program. Each Spring we are treated to a marvelous meal, a delightful entertainment based on the year's activities, the awards to recognize the year's achievements, and the "special awards" which salute the efforts and the foibles of everyone.

The school year 1979 - 1980 has been a succession of changes in the District Office. We opened the year with Mr. Franklin already sharing time with his appointment as Superintendent at Livonia Central School - a job to which he gave full attention in mid - October. During the following months, while the District Screening Committee and the Board of Education were busy interviewing and selecting a new Superintendent, we were pleased to welcome Mr. Howard Mosher, a former administrator who slipped back from retirement to assist us as Interim Superintendent. In January we greeted our new Superintendent as Mrs. Dorothy Dillemath joined the Greene Central School District. We wish her every success.

"A big black bird screamed Roto-Rooter"

and away go troubles down the drain.®

The "Raving": read and take heed.

Once upon a midnight dreary, while I
pondered weak and weary,
Over many a quaint and curious
volume of forgotten lore.

While I nodded in the hushing, suddenly
there came a rushing, as of someone
slowly flushing water 'cross my chamber
floor. Only this and nothing more.

Eagerly I wished the morrow, vainly I
sought to borrow plungers to relieve my

sorrow, mops to dry the soggy floor.
I slowed it down and nothing more.

Ankle deep in water standing, long I stood
there wheezing, panting, weeping, cursing
curses no mortal ever cursed before. As the
mess was slow subsiding, my thoughts were
strong to go a-riding to dry my troubled
clothes, perhaps to find a liquor store.

I jumped astride my motor scooter, a big
black bird screamed "Roto-Rooter!"
"And away go troubles down the drain" —
Roto-Rooter. Quoth the raven: "Evermore."

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.
