The Class Of 1981 Considered Thoughtfully In Making Our Choice For Our Yearbook Dedication. We Considered Many People and Groups Of People Who Have Given Us Much.

Many Worthy Choices Were Suggested, And Making A Decision Was Not Easy. It Is The Goal Of Education To Prepare Us For Just Such Difficult Decisions And Compromises.

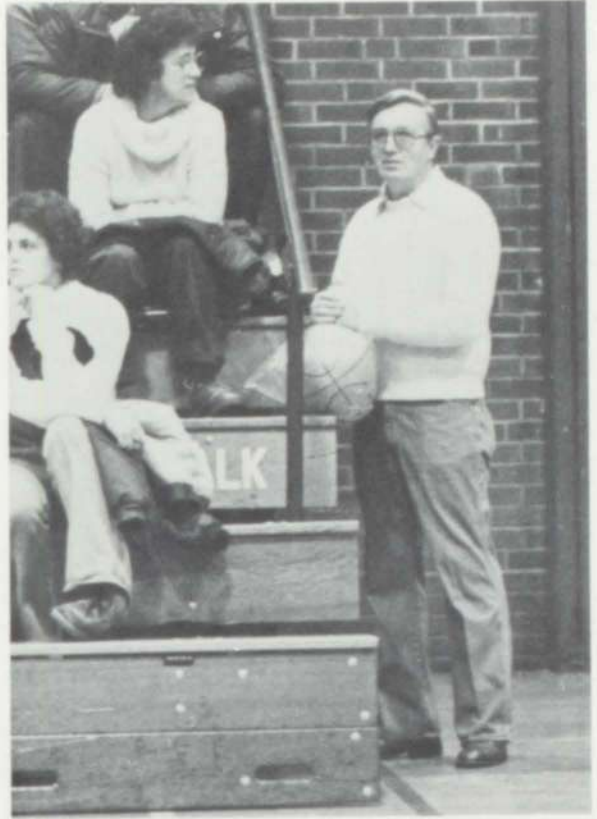

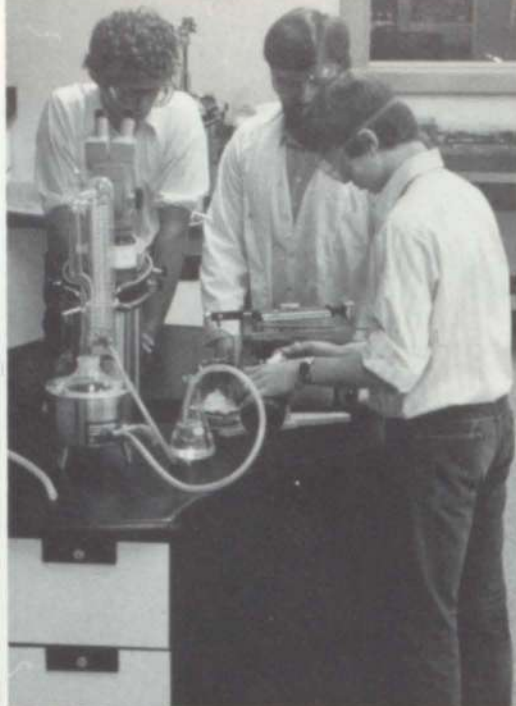

To The Many Teachers And Groups Of School Personnel Who Have Shared So Much With Us Over The Years, We Offer Our Thanks Both Individually And Collectively. This Year, However, There Is One Group Whose Efforts Have Profoundly Affected Our Senior Year. Without Their Patience And Determination, Their Neverending Hard Work Of Fund Raising, Our School Year Would Be Empty Of Many Of Its Best Memories.

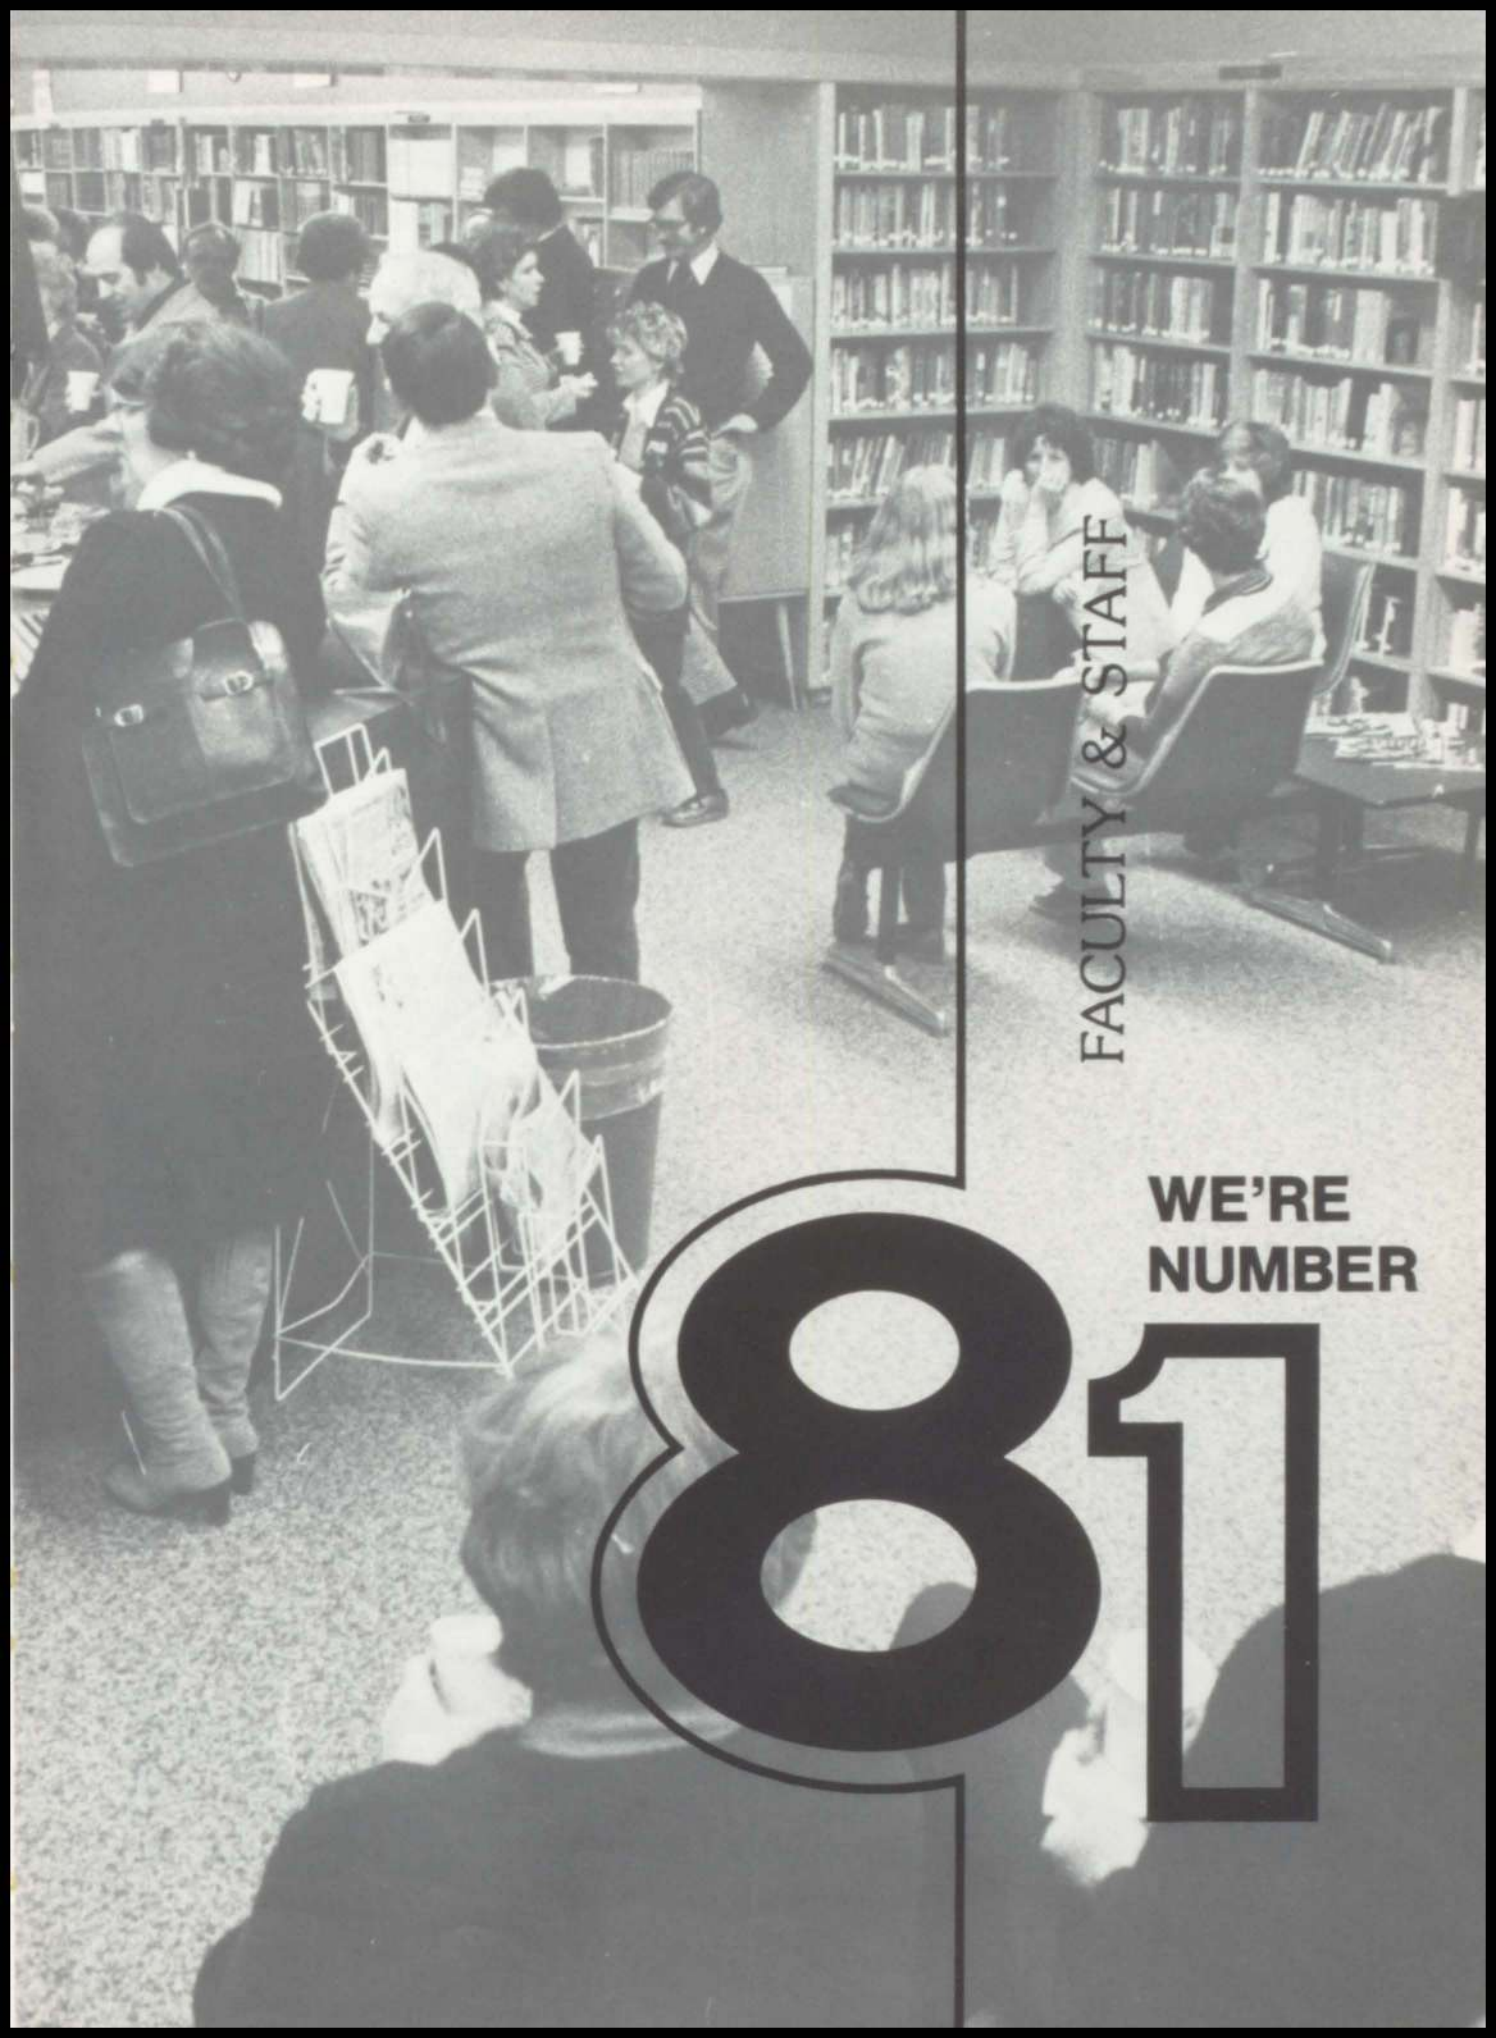

The Music And Sports Programs Which They Have Made Possible At Greene Central School This Year Enriched Our Lives This Year And Will Enrich Our Memories In The Future. It Is With Deep Respect And Grateful Thanks That The Senior Class Dedicates This 1981 Greenelite To The GREENEBACKERS.

The Class of 1981 extends a special 'Thank You' to the man who has led us through this Senior Year. As Class Advisor, Mr. Cline has done many many things - often behind the scene and with little recognition - all of which have helped make our final 40 weeks at Greene Central School smooth running and memorable.
