REFLECTIONS

A chance to look back through time:

We were so excited; everything was so new.

Not knowing, we jumped right into it all — learning, listening and growing.

We did well; we were ambitious;

we used our abilities, striving forward, making each moment memorable,
reaching out, treating each uniquely, with our certain qualities,

using "A TOUCH OF CLASS."

But soon, everything became the same —

daily processes, lost papers, late to classes with a late pass —
no new changes.

But now we've passed that stage in life.

We see ourselves (in the young children) growing.

Reflecting back, we know what lies ahead in life:

going on to new excitement, new beginning;

saying so long to bad times filled with strife;

looking forward to a new game of innings.

Life is a series of adventures,

each one new and exciting; some will never last.

Don't be in a hurry — life goes by so fast.

DONNA WINSOR

Dedication

As we the CLASS of 1985 begin to look back on our past years at G.C.S., we realize that one very special man has touched our lives and given us each a part of himself. He has taught us to look toward the future, but also realize the past.

This year with deepest respect and fond memories we dedicate the 1985 GREENELIGHT . . . "A TOUCH OF CLASS" to

MR. WILLIAM CLINE . . .

who really has a "TOUCH OF CLASS."

A TOUCH OF CLASS!

EXCHANGE STUDENTS

My year as an exchange student has gone by very fast. I have a lot of memories of Greene. I have found a lot of nice, friendly people here; that's one of the advantages of living in a small town. Greene is really different from Manila. But the thing I really like here is the school. You have a lot of freedom. It's probably because I have studied in private schools since I was small. It is also challenging living in a foreign country, learning the tradition and culture. To be frank, I want to be an American citizen and live here enjoying my life with girls.

The Class of 1985, being of sound mind and body, and definitely having a "TOUCH OF CLASS" hereby bequeaths the following:

Lisa Cannestra leaves her sister to do her homework ALONE and Peggy Barry a GREAT BIG "OH" ...

Rob Levee leaves his bass playing ability to B. C. Hohn; Mary Gates his guitar technique; his mother, alone.

What is it we remember when all is said and done;
After we leave dear old Greene Central, and a new life we have begun?

Isn't it the acquaintances we've met along the way,
the friends who changed our lives, and stood by us, come what may?

The closeness that we shared in triumph and in trials.
The very ones who picked us up with just a winning smile.

We remember our excitement, as our teams played, filled with pride.
We remember that sense of dignity they brought to us inside.

It's the challenges we faced and the accomplishments we won
and never to leave our memories, the years of all the fun.

Best Wishes To The Class of '85

Life is a mixture of sunshine and rain,
 Laughter and reardrops, pleasure and pain,
 Low tides and high tides, mountains and plains
 Triumphs, defeats and losses and gains.
 Always keep your head up, hold it high . . .

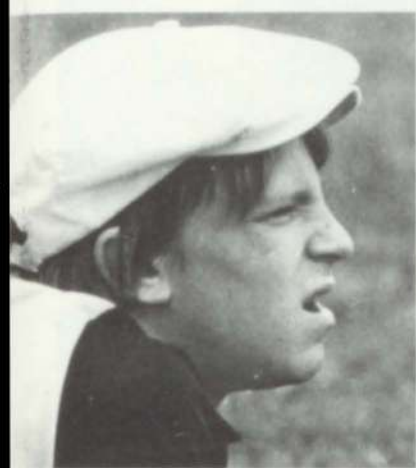

Everyone loves and cares for you, that you
 can't deny
 Don't be defeated, have faith and keep
 strong
 Think of it as a challenge and you can't go
 wrong,
 You have always succeeded, so don't look
 back now,
 Just stick it out and show everyone how.

YESTERDAY

The way we laughed and spent our time
Continue in my mind,
Envisioning your caring face
And times when you've been kind.
The fun we've shared could be written in song
If only the lyrics could say,
The tones of love and happiness
Engulfing every day.
Wishes for a happy life
Float on a breathless sigh
To waken fears of loneliness
That overflow and cry.
I hope that you'll return someday
To reminisce with friends.
Remembering our yesterdays,
Renewing our old trends.
