Together we came through these doors; excited, wondering what it's going to be like. Together we have grown each year. Together we have seen the pain, and together we have seen the happiness. Together we have heard the laughter and seen the tears. Together we have learned, and together we have danced. Most important of all is that we'll walk out of these doors excited, nervous, apprehensive, ready and TOGETHER.

DEDICATION

WE THE PEOPLE ...

The class of 1988 does hereby dedicate the yearbook, "MEMORIES," to **Mrs. Beth Daniels** of the Senior High and **Mr. Arvid Herrmann** of the Junior High. Through the years, they have taught us not only subject matter, but how to get more out of our studies, and our lives. With firm hands and tough courses, they encourage their students to excel, strive for their goals, and be proud of their accomplishments. (We even learned to keep up with Mrs. Daniels!) For all of this, we are grateful. The senior class proudly presents this small token of our appreciation to two teachers who have earned our respect and "MEMORIES."

Carri Strapp — South Africa

Hi Everybody!

Well, time has come for me to leave this dear little village of Greene and return to South Africa. Time has flown — I can barely believe I've been here a whole year already!

I've had a very busy and full year — It feels as if I've lived a whole lifetime in just this year. I've met so many great people and have seen a great deal of your country.

Thank you all for making me feel so welcome and part of Greene Central School. I was fortunate enough to work out with the Girls' Tennis team, take part in "Oklahoma", take part in Jazz Chorus and various Chorus concerts, go to various National Issue Forums with the Government class and much more.

Thank you to the faculty and for all you've done for me.

In February I begin university to study psychology in South Africa. I'm going to miss you all — a part of me will always be in Greene. As they say in Africaans, "Tuis is waar die hart is" — Home is where the heart is! Greene will always be my second home.

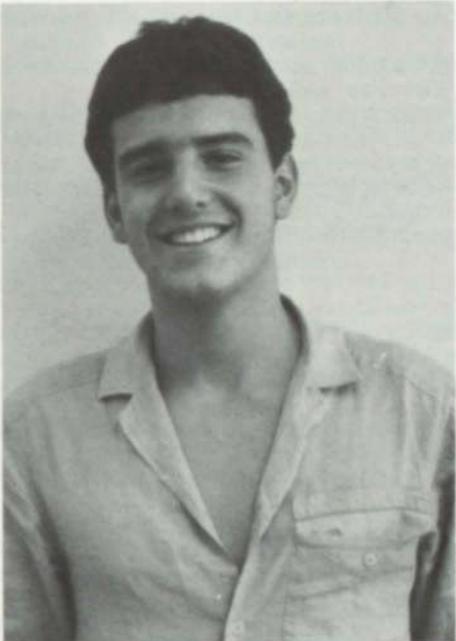

Good Luck to the Class of '88 and who knows — I might make it to the ten year reunion!
