Memories in the Making

We started out together
When we were very young;
We've had a lot of good times
With many more to come.

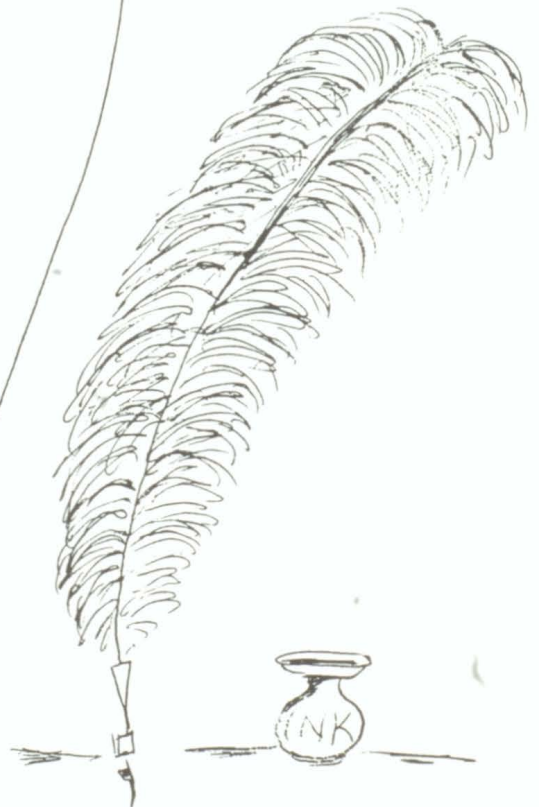

We've shared a lot of laughter,
We've fought through all the tears.
We've conquered every battle
And overcome our fears.

We might have caused some
problems
Or maybe even pain,
but you turned all those things
around
for our own personal gain.

You've showed us all the roads ahead
And helped us make some choices.
You might forget the yelling
But never forget our voices.

We're on our way to our own world,
Our journey here is done.
It's **MEMORIES IN THE MAKING**,
Our lives have just begun.

A Story of Faith

GREENE — "She was tough and she was the smartest kid and no one will ever replace Laura for her kindness, thoughtfulness and caring," wrote Jenna Phillips in a memorial letter about her friend and classmate, ten-year-old Laura Swenson, who died Tuesday morning, June 21.

Friends and relatives gathered at the Central Baptist Church Friday morning to say their last farewell "and to worship which helps us overcome our personal grief," said the R.ev. J.J. Koopman, who officiated at the service. "Laura was a light that God gave us for so many years on this earth. Her faith in the Lord gave her strength over the years."

Laura, daughter of John and Ida Swenson, Stillwater Road, Greene, died of cardiac arrest at Wilson Memorial Hospital, and "her story is one of faith," said her mother.

About 5 years ago, Laura was dubbed a "miracle baby" by one of the many doctors who treated her at a Rochester children's hospital. Just prior to that, Laura wasn't given much hope of life—only 5 percent of her liver was functioning and she was in a coma. But as her classmate said, Laura was tough. "The doctors didn't know what caused her liver

to her friends, nothing could keep her down.

"She was happy at the time" wrote her classmate Joe Baird. In another letter the Swensons received from Classmate Stacey Winson, Laura is remembered as "never complaining about her own problems, but always helping others with theirs."

"We treated her fair, we didn't treat her like a baby because she was tough," Jenna Phillips also wrote in her letter.

No matter who you ask about Laura, the answers are always the same. She was loving, thoughtful, kind and tough. "She made a lasting impression on

Mr. McMullen told Laura's mother that he had been trying to impress on his class that you didn't always have to be the best, you didn't always have to win. He told Mrs. Swenson that he kept trying to get that message through to the kids. "But Laura got the message across," he told Laura's mother. He found that out through a memorial letter written by Caro Pinto. "Laura said it didn't matter if we didn't win," Carol wrote, "but to try our best."

"Laura's story is one of faith," said her mother as she tried Sunday to gather her thoughts and go on. "Coping with death is one of the hardest things we ever have to do. Coping with Laura's death is no exception. Laura was an especial part of my life. As for the past year, most of my time has been spent taking care of her, being with her for 13 weeks we spent in the hospital since last March and trying as hard as I could to make Laura's life as normal as we could. But in trying to cope, several things sustain us."

"First," said Mrs. Swenson, "we know where Laura is now. Her faith in Jesus was strong, she was baptized this spring, and we had talked several times in the last few months about heaven and what happens when we die. There is not a trace of doubt in my mind where Laura is now."

"Secondly Jesus is sustaining us. We can feel the prayer support of our friends and families getting us through the days. Mornings seem to be the worst, so I've begun to ask people to pray for us the first thing—and today I felt a difference."

"Thirdly, although our faith and hope have been strong that Laura would some day be completely healed, we have known that each day is a gift from God and that Laura's life has often been precarious at best. She has been very unhappy this year being excluded from the physical activities the other children enjoy; having to wear a cumbersome brace; being teased, about her small size; and to quote Laura, "I felt like a No. 1 handicapped." We know now that

Laura is enjoying all the things she has missed before in a body made strong and perfect."

Fourthly, we see many ways in which God's timing for Laura has been perfect. She got fatally ill very, very quickly with little suffering. Her life was with us only by the slenderest of threads after we got to the hospital; yet she could feel nothing and we feel the Lord gave us that 24 hours in the hospital to see that holding on was no good, that we had to accept Jesus' healing for Laura (her death), and to let her go to Him. She died after absolutely the best year of her life. She enjoyed every minute in Mr. McMullen's

failure and they really can't say what cured her," said her Mom at that time; "but we can—Jesus." In August of 1979 doctors could find no sign of ongoing liver disease, but later other medical problems began to arise.

Laura developed intestinal problems from the medication used to treat her liver disease which meant she had to remain on a strict diet. During the past year Laura's bones began to get brittle and she suffered three compression fractures of her back, which kept her in a brace much of the time. But, it seemed

me," said her fourth grade teacher, Steve McMullen. "We shared the same sense of humor; she was full of life and giving. She gave more to me than I gave to her."

Laura obviously loved her teacher as well. In her diary dated October 1982 Laura wrote, "school is great this year." And included in a list of people she trusted most at the age of 9, Laura wrote "Mr. McMullen".

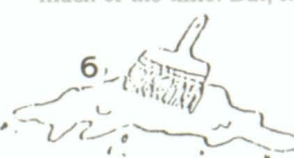

During the eulogy on Friday, Rev. Koopman challenged those present to look inward to find "what impact aura made on you?" The letters from her classmates show that she touched the lives of everyone she met, and she taught them things.

class and was so thrilled that so many of her friends were in that class. Steve McMullen, her other teachers, and her classmates gave Laura and her parents the best of memories."

"We may not see Laura again on this earth, but I never would allow her to feel very sorry for herself and I know she's looking down on us, telling us not to feel sorry for her—or for ourselves. We only need to try to bring as much joy, love and comfort to each other as she brought to us."

Plans now for memorial contributions through Laura's church, Central Baptist Church in Greene, are to donate to CROP Walk, the Emergency Squad, the Upper Room Coffeehouse and the libraries.

Class of '91

The Class of 1991 is the prize in the Cracker Jack box. Just when you finish the delicious snack there is something neat to surprise you. On the surface they appear to be a nice collection of people who will not be difficult to handle for a year. But the truth is, they have much more personality than that. From their sweep of Homecoming prizes to their enthusiasm in class, this is a class to relish and remember. To allness index, they are winners!

Jason's got what it takes to make it in the future. Hopefully those stressful barriers, women, won't get in his way. Besides Jason's stresses, he's a wonderful friend and a great person in general. Jamie Blood **SANDY HAYES:** Sandy is the one that I could always count on to be there when I need her shoulder to cry on or her brain to help me with homework, or just to enjoy a good laugh with. Sandy has helped me through thick and thin, good and bad, but no matter what, she is always right there when I need her. Sandy is the greatest friend anyone could ever have. Amy Georgia **CRYSTAL KOLACKI:** Crystal is always there when you need her most. She is a dedicated friend, and can make you smile whenever you're sad. Although unable to solve her own problems, her specialty is solving mine. Unfortunately, Crystal is also licensed to drive, — Beware! Danielle Hall **MIKE ROGERS:** "The New Kid" — He's always been patient and understanding with people. His artistic traits make up only a fraction of his personality; and the other fraction is worth getting to know. Alicia Morehouse **STACY ROGERS:** Stacy is an intelligent and ambitious student, a hard worker, and a true friend. I believe she will succeed and excel in the future. Sarah Barker **TOM REICH:** I have known Tom for most of my life. I can truly say that when it comes to friendship, he will never let you down. He is an individual who really knows how to have a good time when you get together . . . I wish him the best of luck in the future, and may we always be the best of friends. Timothy Allan Russell **JASON R. BARROWS:** Jason the computer's best friend and confidante. Come to think of it, you treat all of us like PC's — turning us on and off as you need us — but look we are a virus. Mr. Cline **MARCY BALUNUS:** Marcy is not only a genius but she also is a lot of fun to be around. Besides the fact we're cousins I consider her to be one of my best friends. I don't know what I would do without all her help through so many years. I wish someday I can pay her back. Mary Flanagan **TRISTAN ANGELL:** Tristan is always there when in need of a helping hand. Her inner strength helps her to overcome all. She would do anything for a friend, and will always remain my closest friend. Tristan deserves only the best. Danielle Hall **RICH ALDERMAN:** Rich is everyone's friend. I predict he will rise to the top of his profession. Mrs. Ross **JASON EVANS:** Jason is the best friend anyone could have. He's got a big heart and a great sense of humor. Jamie Blood **TARA WILLIAMS:** Throughout the years, Tara has been a great friend. I want to thank her for always being there for me and helping me get into trouble. The memories have been great and I hope they keep going in the future. Paula Utter **PAT DUNDON:** He who hesitates is lost! Pat is a great guy and will be somebody very important some-

day! Mr. Jester **JANNA** is a sweet and considerate air headed, she has a big room for anyone. Tara **WINSTON**: She's a very in-caring person. She's fun to we've had some great She's a great friend. Deb **DE SAMBLANC**: Stephane be around. He's a very in-son to talk to. He also likes "sweetie"? Kati Cline **STEINRUCK**: I wish him in the future. I still remem-time he saw snow. He was make me laugh. I want to the good times and hope Jim Shoemaker **TINA**

SHORT: Tina Short has blossomed into one of the nicest young ladies I have seen come through GCS. I have seen her efforts in class, in playing sports and in being a most enthusiastic cheerleader. Her infectious smile and (usually) bright disposition have brightened many days for many people. When she leaves, GCS and I will miss her. Mr. Burghardt **JAMMER SHOEMAKER**: The Bart Man is known for his many multi-colored mustangs. Although his many Polish jokes are tasteless, but funny, he's always there to brighten up your day. Thanks for everything. Janice Trelewicz **ALISA SHEVLIN**: Alisa is a very caring and considerate person. Not only is she a good friend, but she's a good athlete as well. Stacey Winston **BRIDGET SEELEY**: I look at Bridget with admiration. She's a strong person who's overcome many obstacles and has accepted responsibility at a young age. I envy her patience and kind nature. Alicia Morehouse **JEN ROUNDS**: Can really eat that Pizza Hut pizza and I should know. She's an awesome friend and can deal with a crisis (a little lip gnawing). You're cool but not too cool and don't you ever forget it. Deb Burt **DEB BURT**: Deb can cheer anybody up when they are feeling down. She is always ready at any time if you need someone to go to Pizza Hut with. Deb is cool but not too cool. Jen Rounds **JADA BRICE**: Jada is a warm caring person. She is very enjoyable to be with. She is easy to get along with. Jada is the

type of friend that will always be there for you. Christopher Fiene **JAMIE BLOOD**: Jamie is a legend in his own time and has always been smooth with the ladies. I value his personality and sincerity every day as he always has a way of making my day better. Jason Evans **GARTH BEAGLE**: He makes us smile and jokes with us and never puts up a big fuss. The memories we'll always treasure because our friendship has been a pleasure. Alicia Morehouse **CLINT FIASCHI**: Clint has a tough outer shell but when you get to know him he is very caring and emotional. I've been friends with Clint since fifth grade and I hope he doesn't forget me later in life. Jason Evans **MARY FLANAGAN**: Mary is caring to people great and small, she places a lot of trust and love in people even if they don't deserve it. She never gives herself enough credit for anything. You couldn't find a box big enough for her heart. I wouldn't trade her in for anyone or anything. Dean Rifanburg **CHRISTINA WIGGINS**: Chris is a great friend. She's always been there for me when I needed a shoulder. Thanks for everything. Chris, I'll never forget it! Karen Leichfeld **DEAN RIFANBURG**: When I look at Dean I see a man who doesn't care what people think of him. Dean is really very intellectual. **KAI-ERIK ETHERIDGE**: Kai will be missed at Greene for his superior abilities and wisdom in and out of the sports arena. His uniqueness of character and friendly disposition make him one smooth biscuit. One can only hope that when Kai leaves Greene and becomes successful in whatever he chooses that he will remember us here. Good luck in the future Kai, and thanks for everything. Collin Kozal and Todd Estabrook **BRIDGET MILLS**: Well . . . I think the one real thing that the halls of GCS are going to lack, now friend Bridget, is gone on better things, is the loud, laugh. She leaves many hind, some that can't be the future hold all the luck world buddy! Lisa Postl

The J.V. Soccer team had a very successful season finishing 8-3. High points were the victories over Sidney and Cincinnati to end the season. Key to Greene's future are the facts that we had 16 J.V. players, of which 8 were freshmen. Another interesting fact is that 3 of the players were girls. One of them, Kristen Shevlin, started in goal and authored 3 shut outs. The future is bright.

The Modified Field Hockey Team had a super season! The twenty three girls made up of 14 — 7th graders and 9 — 8th grades played extremely well together. Our defense was so strong that Greene only allowed 1 goal against us all season. On the other hand, our offense generated 21 goals against opposing schools. Overall, these girls were a joy to coach because they had the desire to improve their fundamental skills.

The Boys Varsity Basketball team has enjoyed a banner regular season by winning 15 games and losing 5. Their 9-3 league record was good for sole possession of 2nd place in the highly competitive Sus West. The team enters sectional competition having 10 of 11 games since Christmas. The five seniors provided leadership for the squad. Jim Shoemaker completed his second year on Varsity, Kai Etheridge was a Sus Association Academic All-Star, and John Weir, Chris Vanderbilt, and Steve Kresge all averaged double figure scoring and were named on league all-star ballots.

The Boys' Basketball team has completed its season with an 11-9 record, winning 6 of the last 9 games despite numerous injuries and illnesses. The squad, composed of 9 sophomores and 4 freshmen, shows promise for the future.

The Greene Boys Bowling team is enjoying another highly successful season. We are currently in 1st place with only one loss against 7 wins. With only 3 people back from last year's team nobody knew what to expect, but four new team members have really come through. The future looks bright.

The Varsity Wrestling finished the season with a 500 record; at the time of this writing we are 6-6. The team lost 4 to graduation this year and had some holes to fill. Captains Kent Garringer, Scott Craver and Jason Evans provided the young team with leadership in placing in all tournaments. The wrestling schedule is very rigorous. Taking on 3 stac teams and 3 state ranked teams this season — also — competed in the prestigious Central Square Tournament in Syracuse. The team finished 3rd in the Marathon Tournament.

Mr. Jenks

Some points to ponder — Greene will return 9 starters to the Line-Up next year including 7th grader Clint Loomis, Standouts 8th grader Jake Hoyt, 9th grader Jack Harbold. Our Seniors Kent Garringer, Scott Craver and Jason Evans placed in all major tournaments.

We had a very good season, considering all the rain we had this spring. We had very little opportunity to practice outside. It seemed like we either played a game outside or practiced in the gym.
We had a 10 win 6 loss record. Our last game was typical of the attitude we had that it is never too late. We defeated Unatego (who had beaten us earlier in the season) by one run in the bottom of the 8th inning. Phil Bordwell hit a triple and Tim Calice brought him home with a suicide squeeze bunt.
We had seven games cancelled. Four of the cancelled games were teams we had beaten once already. The other 3 teams we had never played before.

The Junior Varsity Girls' softball season was extremely successful. The team finished the season with a perfect 16-0 record. This team was a coach's dream come true. Due to some situations we had to rearrange the teams from 7 and 8 to A & B but overall we, as coaches, feel that the girls did a fine job, learned some new skills, developed some old skills and played the games well. Exchange Students

Being here was not just a good way to learn the language, it was also a great opportunity to meet different people, to experience other customs and ways of life. I would like to thank all the people in Rotary who helped me achieve this dream. I was very glad to be here. The students in school have been very nice and helpful to me. I have met a lot of very interesting people who very rapidly became my friends. I hope that we can maintain these relationships throughout our lives and across the miles. I want to thank all the teachers for their help and support. I greatly appreciate my host families who have made my stay so comfortable and enjoyable. I already know that it will be very difficult for me to leave Greene which has become like a second home. One thing is sure, I'll be back.

Don't forget, Greene, you have a friend in Belgium! If any of you should travel to Belgium, please come and visit me.

Best wishes for the future. I am glad to have met so many of you.

Love,
Stephane

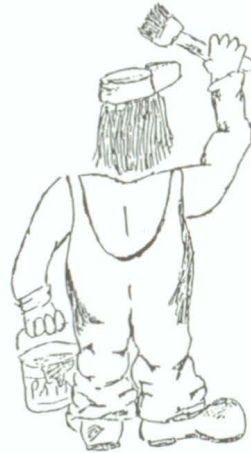

Giddy,

Thanks for a most excellent year. It really has been great. I wasn't quite sure what to expect when I got here and there was three feet of snow on the ground. But I can't think of any other place I'd rather spend a year in. One thing I've learned is that the people you meet you'll always have with you. I think getting on the plane in January to leave, will be the hardest thing I'll ever have to do. But, someday, I'll be back. (Like when I'm twenty-one!!)

Thanks again for a most excellent year!

This picture was taken when you were five years old. Your kindergarten teacher wrote on your report card, "He is a lovely child," and you were! It was your sense of humor and peaceful, fun-loving way. These qualities are the foundation of your character. You have grown into a fine young man and we are honored to have you as our son.
Congratulations

When trouble comes a running
In moments when you are blue,
Here is something to remember
There is no one, just like you.
In all the world wide over and since creation's morn,
No other soul just like you
Has ever yet been born.
Love, Mom
