IN LOVING MEMORY HOLLY SWIFT 1979-1996

I Am The Gentle Autumn's Rain

Do not stand at my grave and weep;
I am not there.
I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn's rain.
When you awaken in the morning's hush,
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there.
I did not die.

Wonderful Town - Spring '96

EXCHANGE STUDENTS

Veronika Stillfried

Hi, My year is almost over now, and I have to go back to Germany soon. That makes me very sad because I had a wonderful time here in Greene. I have already graduated here and now I have to go back and go to more years to school. I will never forget all the fun times, especially in Ski Club, on the Rotary trips and all the other enjoyable times. Thank you all, who have made this possible, the school, Rotary and all my new friends. Special thanks to my host families, who were very nice with me and cared a lot. I don't say good bye for ever, you can be sure, I will come back! Bye, bye Veronika

Dañiela Banuelos

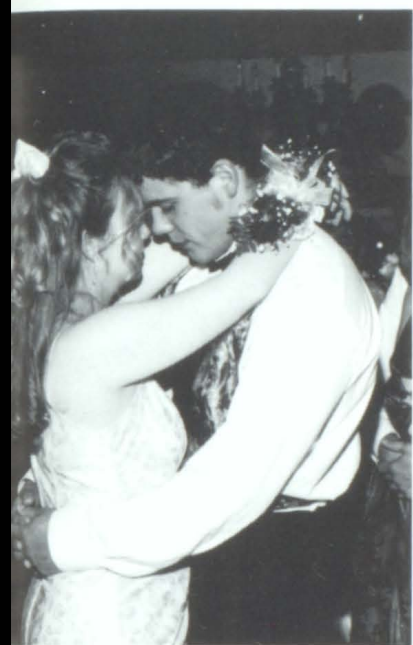

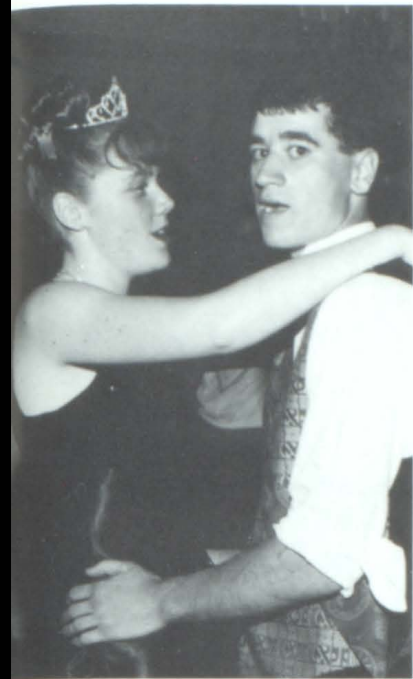

Hi, my name is Daniela, I'm from Sinaloa, México. When you read this, I will come back to México. I will never forget all the times and the good moments I spend here. I hope you don't forget me neither. I want to say thank you to the Rotary to give me this wonderful opportunity, to the families who take me in their houses, and the Rosekrantz family to help me in the beginning and all the persons who made this possible.
