The Class of 1999 is proud to present the  
*Greenelite Dedication*  
to  
*Mr. Bill Cline and Mr. Wayne Cook*

Calvin Coolidge once said "No person was ever honored for what he received; honor has been the reward for what he gave." This is especially true this year, when the senior class has chosen both Mr. Cline and Mr. Cook as the recipients of the yearbook dedication. As teachers, you both have unselfishly shared your knowledge, your wisdom, your kindness with the members of the class of '99. No matter where our lives take us, you will always be in our hearts. Thank you for everything that you've done.
