Opening the Doors to Tomorrow

"When one door closes, another opens.
But we often look so regretfully upon the closed door that we don't see the one that has opened for us."

Greene Central High School 40 South Canal St. Greene, NY 13778 (607) 656-4161

Dedication

The Class of 2003 wishes to honor

John Treyz

with the dedication of the 2003 Greenelite Yearbook

"The man, ready with a joke & to share a good laugh, who also took the time to get to know his students."

-Mr. Cline

"Whether it's a smile or nod, he always walks by with a friendly greeting." -Lisa Calice & Chanell Johnson

Mr. John Treyz graduated from the State University of Oneonta with a Bachelor's of Science Degree in 1968. He taught science for two years at West Junior High School in Binghamton. He then went on to complete his Master's in Education at Elmira College. In 1970, he began teaching Health and Science at Greene Central. On behalf of the students and faculty at Greene Central School, we thank you for

your time and dedication!

"A teacher who is serious when he needs to be, but if you need a good laugh, he's the one to go to!" -Ashley Koopman

Foreign Exchange Students

Maria "Noe" Solmi

Hi everyone! This is Noe, and I'm an exchange student from Argentina. I arrived to Greene August 18th, 2002, and my year here will be done by August this year. When I first came to this school, I was suprised of how friendly the teachers, students, and school staff was. I've done half my year by now, and I want to thank you all for still being that way to me.

Special thanks go to Greene Rotary Club, for the opportunity and the good lunches at the meetings;). Also, I want to thank my host families for their support, and the wonderful times shared. To my friends I made here, thanks for being there, the friendship that we made, and all the good times!! And for the rest of the people I've met, thank you for all you've done for me, I'm having the most amazing experience of my life so far, and I want to say thanks once again for helping me do that :)

l love you all and I'll never forget you!

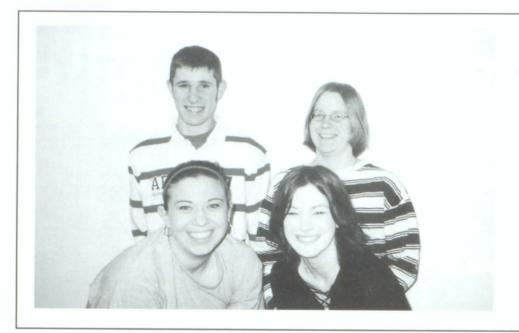

Isabela "Bela" Peres

Oi!!! I want to thank everyone that thoughout my year in Greene High School and town helped and supported me in all the difficult moments and all the happy moments. I'll take this opportunity to thank my Rotary Club back home and here. because this is a great experience and I will carry it wherever I go. I showed you guys who I am and I hope you enjoyed my stay as I did. I am very pleased to have met those who became part of my life and that I will never forget about, even those who I never talked to that much but one day gave me a smile... little things mean a lot to me. To those who this year are graduating I wish the best of luck and that you guys do your best wherever you are with what you have. That was what I tried to do in my exchange student year. With love, Bela

In Loving Memory

Justin A. Bryce

To my little Prince:

What can I say?
I wish you would have never gone away.
The joy you brought,
My heart you caught.
The smiles you gave,
all the kisses I will save.

So why did you go?
Thats all I want to know,
I want you here,
and there goes another tear,
I miss you so much,
I long for your touch.

Will I see you in heaven?
I hope and I pray,
I can't wait to see you everyday.
I love you, Justin and I swear
I will gladly see you when I get there.
Love you bud

Cody Whitham

You started with a zest for laughter and love, then blended in a heaping helping of kindness, respect, and integrity.

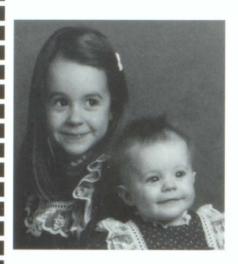

As a finishing touch, you have added a generous portion of confidence in yourself, well balanced with reliance on what others can teach you.

The result -- a young man of whom we are very proud!

Congratulations & Love, MOM & DAD (You go get 'em little bro! Love, Casey)

If it's in your way, question it, challenge it. In order to do things well, you need to do it with a little attitude and who would ever doubt you have that?!

To The Class of 2003,

You have worked, you have striven for the best you could be, you have labored for knowledge, and opened your mind to new ideas. You have done all this, and you have succeeded.

Graduation is not an ending, but a transition from one phase of our lives to another. A step that leads to new and different pathways.

I hope that the days you have spent here will be a prologue for happy and fulfilling days yet to come. Best wishes to the class of 2003. We salute you and wish you a long and happy life.
