## The Road Not Taken

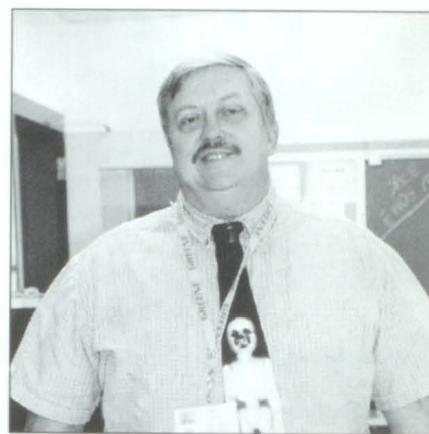

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it best in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.

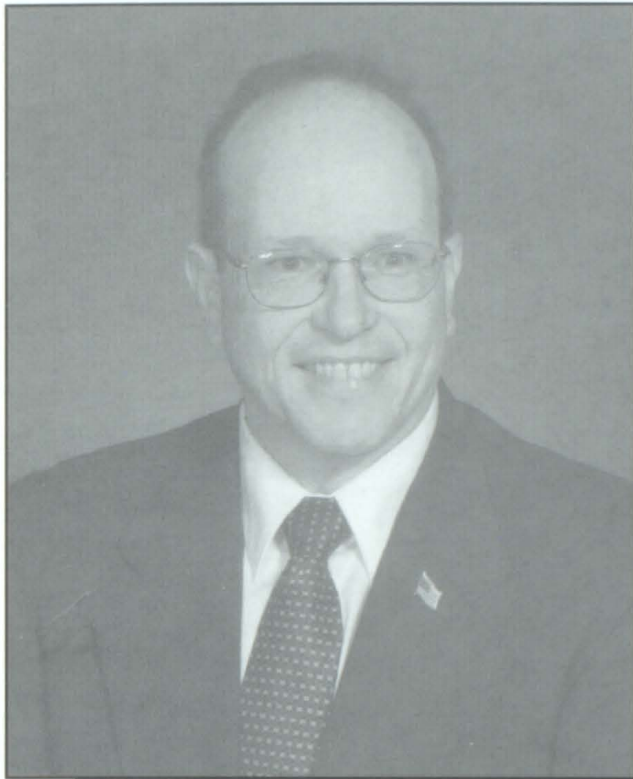

By Robert Frost

Mr. William Cline, the recipient of the 2003-2004 Greene Yearbook Dedication, began his work here at Greene Central School in 1971. Married to Mrs. Cline since 1976, and with four daughters, Mr. Cline has proven to be a faithful and devoted member in many areas. He has taught English to countless students, coached soccer, football, cheerleading, track, and bowling, and has been involved in numerous student activities in Greene. Through his extreme participation and effort, Mr. Cline has taught something much more vital than any of these areas alone -- he has also taught life. Mr. Cline says, "I live Greene Central." In return, his students and friends will say, "Mr. Cline used Greene Central to teach us what life is." He has affected us all in cherished and irreplaceable ways. Those who have learned under him will miss him, and those who walk on now, after his guidance, thank him.

# GCS Foreign Exchange Student Rahul Kakar

The past five months have been almost the most exciting and one of the best learning experiences in my life. Coming here wasn't an easy decision and like every other student I was initially hesitant to leave my home and come so far to a totally different world to meet new people and have wonderful, new and exciting adventures. Coming here, in many ways, has been a dream come true for me, doing so many things which I ordinarily would not have had a chance to do back home. Whether it be celebrating Christmas (which I have never done before) or new sports like football and baseball and all of the neat stuff accompanying winter like sledding, skiing, snowball fights and what not. I've had two marvelous trips to the glamorous New York City and to Walt Disney World in Florida which I will never forget. In the end, a very special thanks to the Rotary Club of Greene which thought of me as capable enough to host me and all the staff members and students of Greene High School with whom I had the privilege of working with. My best wishes to all people who have been helpful and kind throughout my stay here. When I go back, I can proudly say that I went to Greene, New York. Best of luck to a wonderful community.

Sincerely with my best regards,  
Rahul Kakar

# WINTER PEP RALLY

The can drive started off slowly... And Greene students prepared for another pathetic turn out. But, word began to travel. If the students could collect at least 2003 cans then they could be allowed to duct tape their teachers to the wall. Mr. Platta, Ms. Shearer, Mr. Pisanello, Ms. Kennedy-Sylvester, and Mrs. Utter-Calice each agreed to become victims.

So, students kicked into gear and began cleaning out their cupboards, teachers offered extra credit incentives to those who brought in cans, and a can-war began.

Mrs. Utter-Calice pushed her homeroom along, bringing in all of her own cans as well, being forced to probably eat peanut butter for days.

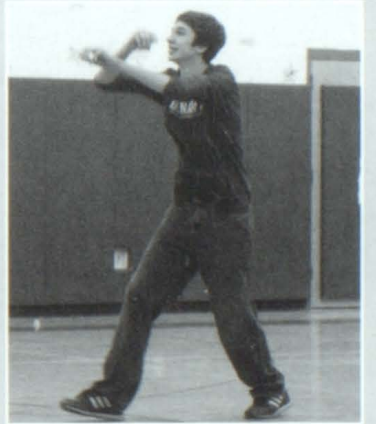

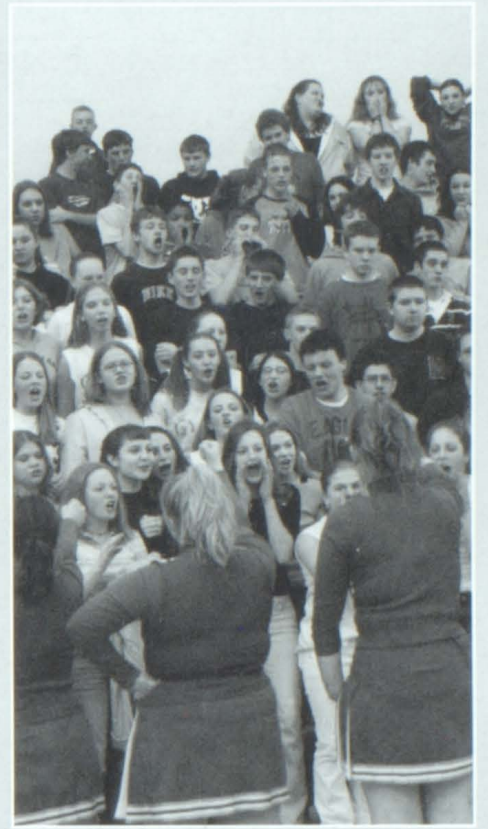

Eager to catch up, another homeroom hit the streets. They had run out of their own cans so they began a door-to-door request. "Knock knock, would you please donate some canned food items to our homeroom for the can drive?"

The count came in, and the high school had collected more than 2003 cans. In fact, they had collected 2240 cans. So, true to their word, the teachers were duct taped to the wall.

Thank you very much for bringing so much love and laughter into our lives. Our house won't be the same when you leave for college.

You are such a wonderful son and we are very proud of you.

Congratulations and good luck in the future as you move on to the next phase of your life. We wish you success and happiness always.

We love you very much.

Love,  
Mom and Dad

## Ben Rutz

We've watched in awe as you seized every talent you've been given, including capacity for hard work and an intelligence that humbles us.

But most important is your heart, and we are privileged to see the strength and soul in it. Thank you for being the remarkable son and brother that you are. Our love and pride goes with you, wherever your journey leads. God bless and keep you.

Love,  
Your Family

"Congratulations!  
Today is your day.  
You're off to Great Places.  
You're off and away.

You have brains in your head.  
You have feet in your shoes.  
You can steer yourself  
Any direction you choose.  
You're on your own and you know what  
you know.  
And you are the guy who'll decide where  
to go."

Lots of love, Bri. Mom, Dad, Ty, Gramma, Robin, Gramma & Grampa

# Kaitlin Porter

You've come a long way, many busy years, much success with few disappointments in which the Lord has carried you through. You have captured so many memories: great times; wonderful friends and classmates; great teachers; patient coaches, and loving support from so many. You can be annoying and pushy but in your own special way your determination of caring, sharing, giving and striving to make the world a happier place is overpowering. Keep your eyes on Jesus -

"Ya Done Good"

Love,  
Mom and Kim

Since the day you were born you have been the light of our lives! You have taught us volumes about life and love, and for this we are eternally thankful. We are so very proud of the beautiful, young woman you are becoming. It has been an honor and our sincerest privilege to be your parents and we look forward to the years to come. We wish you every happiness and much success as you venture into adulthood.

Love Always,

# Heather Davis

Your years at Greene Central, in the classroom and on the playing field (your outdoor classroom) have prepared you well for your future. You are indeed our champion and we are very proud of you!!! It seems like only yesterday it was Father's Day 6/15/86. What a Father's Day gift you were for me!!! 7 pounds, 14 ounces... Blue eyed baby girl...

Heather Marie.

Soon it was your first time on the green grass of Spring which you hated and decided to walk (run) early and you've been running ever since!!! Then it was lots of outdoor fun during the days of Summer, the experience of the inside of a milkweed pod in the Fall and running & jumping in all those leaves. Never forget another game of Lobster Ball no matter the season. From all this came your love of the outdoors, your curiosity & freedom of thought and of course, your athleticism (Go #12!!!) You have worn the green & gold proud and you have added your mark to Greene's awesome field hockey heritage!!!

Big sister, little mother... Trailblazer for your sisters. Picking the reddest apple from the tree, naming all 50 states and their capitals from memory, and hanging with Jamal and the fam at Niagara Falls and Lake Shalamar were great times in the sun. And of course camping in any weather has taught us all to live with adversity (love that rain!!!).

You have achieved many awards and you have withstood your share of disappointments from which you have risen above and will continue to do so whenever you need to. From those disappointments you have also come to realize that you can rely on us -- your family. We will always be here for you... now and wherever your future takes you!!! You are "our" Grace Under Fire!!! Thanks for being such a great daughter!!!

With much admiration & respect,  
We love you!!!  
Mom and Dad

Heather,  
Never forget the love our family will always have for you. Good luck in the future years. I will miss you so much... great times with a great friend... I mean sister!!!  
Love Always,  
Hildee

Heathy,  
You are my hero in every way possible... I'll always look up to you!!! Good luck in everything you do with field hockey!!! Thanks for always being there.  
I love you,  
Holly

# Rachel Miller

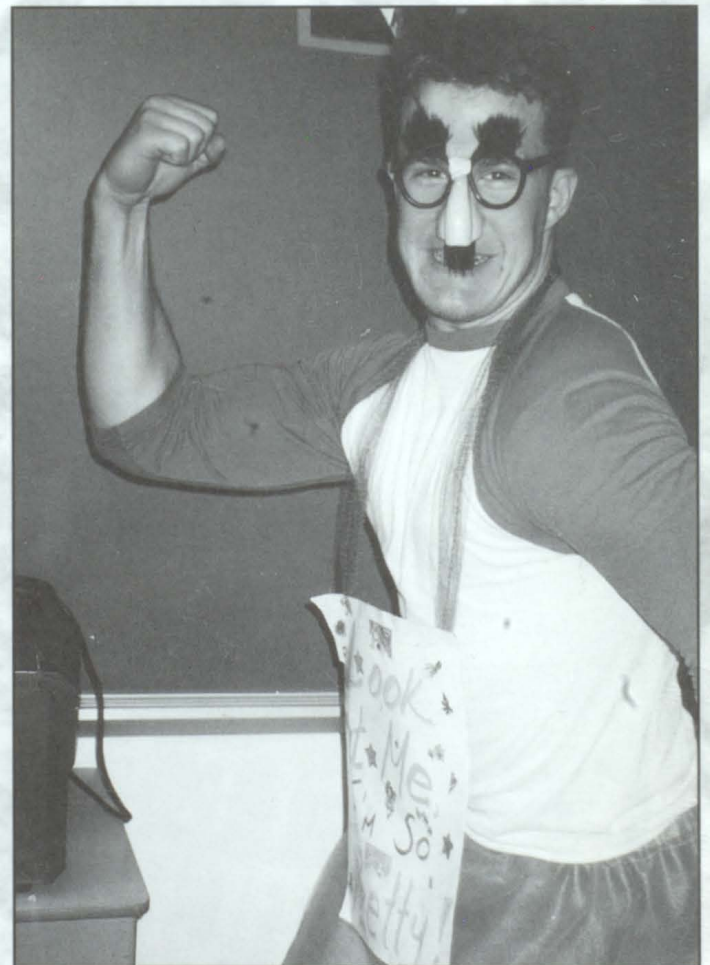

You'll always be our Rachie and Tootsie who loves to go to Carlisle, buy and sell Beanies, go to tea parties, pick blueberries, take hockey trips and go to hockey camp. You do honor to Grandma's name. We all are very proud of you and your accomplishments. We'll love you forever and may all your hopes and dreams always come true.

Love,  
Mom, Dad, and Sean

# *Please Remember*

Written By: Diane Warren  
Performed By: LeAnne Rimes

*Time, sometimes the time just slips away  
And your left with yesterday  
Left with the memories  
I, I'll always think of you and smile  
And be happy for the time  
I had you with me  
Though we go our separate ways  
I won't forget so don't forget  
The memories we made*

*Please remember, please remember  
I was there for you  
And you were there for me  
Please remember, our times together  
The time was yours and mine  
While we were wild and free  
Please remember, please remember me*
