THE DAY OF SILENCE

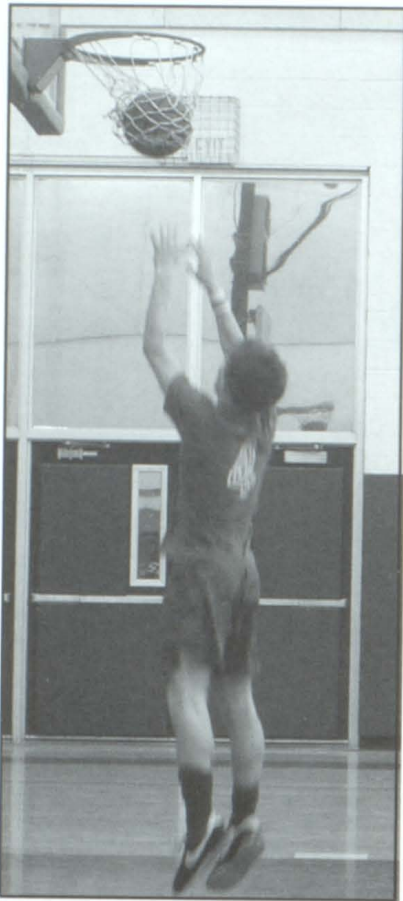

Day of Silence

Pledge Your VOICE Against Discrimination, Prejudice, and SILENCE

Please understand my reason for not speaking today.

The Day of Silence is a national youth movement shedding light on silence faced by people's differences to others around them. People should not be discriminated against because of their race, by others being prejudice, or because of their beliefs. How will you help stop this discrimination against others? What are you going to do to stop the silence? We took a vow of silence!

Green and Gold Night

A team of 15 teachers, coached by Dr. Tarolli and Mr. Coletta, challenged Mr. Daniel's team of 19 seniors at the Green and Gold Game, put on by the PTO. The bleachers were filled with adults and students alike, with the Seniors winning a very exciting game 38-35. Halftime entertainment was provided by Jordan Eggleston's Band and a basketball shootout.

The Sixth Man is a student cheering section, formed by students, for students. They are said to be considered the "sixth man" for the Greene Trojans basketball teams. Members are required to be loud, wild, and crazy at games while cheering the Trojans to victory. The Sixth Man was an enthusiastic power house this season.

SENIORS

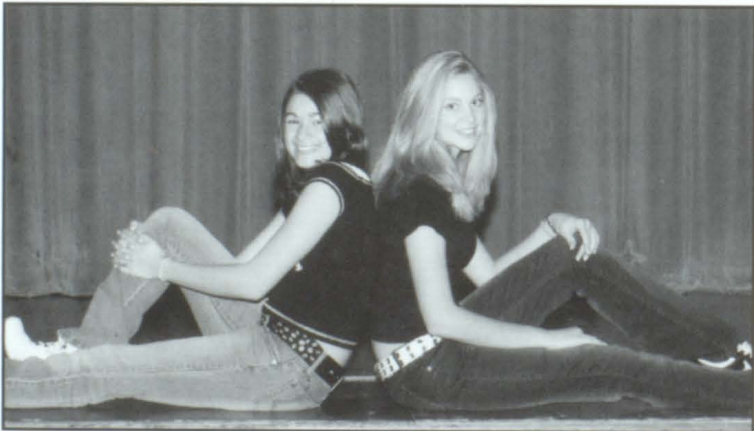

It's almost over for these kids, and Senior year has been a blast. To plan for their senior trip to Ocean City, MD, they raised money by selling cookie dough and Subway cards. They applied to colleges or looked for work, they potentially awaited Moving Up Day and Graduation. It's all coming to a close. So many memories, the time of their lives.

Clare Rutz (Secretary), Tara Vanderwayde (Treasurer), Ashley Wakeman (President), Amanda Townsend (Vice President)

SOPHOMORES

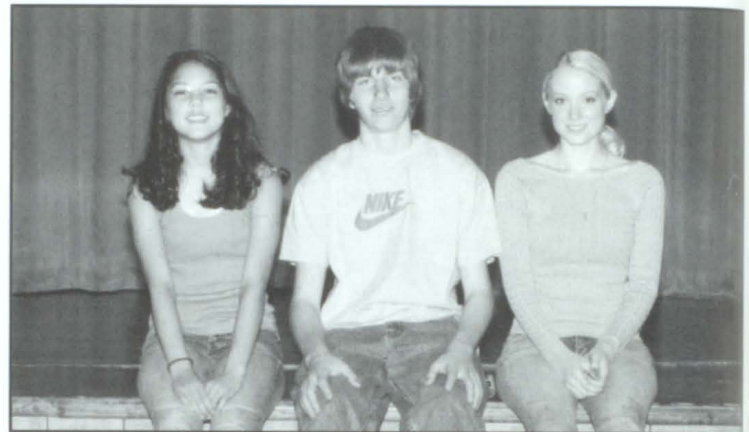

There's never a dull moment with this up and coming class, they have been busy all year. The Sophomore Homecoming float was amazing, and pulled a first-place victory in Greene's annual Homecoming parade. In the winter these bustling students raised money for the class by doing a Valentine's Day themed fundraiser... and there may have even been a spirit award given to these screamers.

Brittany Cerniglia (Vice President), Erin Dunlap (Secretary),
Missing: Andrea Northrup (President), Cameron Daniels
(Treasurer)

JUNIORS

Traditionally, the Junior class works the hardest, and this year has been no different. They worked dilligently to plan and set up prom, on top of completing the rigorous academic challenges every junior must overcome. It's smooth sailing from here!

Amanda Shearer (Treasurer), Josh Hayes, Stephanie Martin
(Secretary); Missing: Kyle Boeltz (President), Steve Bogart (Vice
President)

FRESHMEN

Kicked off by the construction of it's 1940's themed homecoming float, the freshman class has been quite active this year. In the fall they went to see a rendition of Shakespeare's Romeo and Juliet and later raised money by selling fleece blankets. This class has some hardworking and motivated students. Rock on!

Mary Rutz (President), Lizzy Buhl (Treasurer), Holly Davis
(Secretary)

Student Council

Are you outgoing? Do you like having a voice? Student Council might just be the club for you. Throughout the year, this student group acts as a governing body in the high school. This year they organized just about every dance you can think of, they ran a 24-hour dance-a-thon and a Senior Citizen's dance. They collected cans for our winter can drive and encouraged spirit in our seasonal pep assemblies. Without this group, there would be no one to do our daily announcements. Get involved!

Throughout the year, National Honor Society has been particularly active in supporting the student body, as well as community organizations. They orchestrated a spring blood drive with the Red Cross, they sold the ever popular "Santa Grams", and they volunteered monthly at the Intermediate School. In addition, the Honor Society ran an in-school tutoring program which helped other students improve study skills. Be sure to notice the yellow honor cords at graduation!

Model UN

Model UN is an authentic simulation of the UN General Assembly, Security Council, & other multi-lateral bodies which catapults members into the world of diplomacy and negotiation. Members become ambassadors of UN member countries to debate current world issues, prepare and draft resolutions, plot strategy, negotiate with supporters and adversaries, and resolve conflicts. The results are in the interest to resolve problems that affect almost every country on Earth. Members experience first hand the decision-making process and diplomatic work at the UN.

Mock Trial

The members of the team work on a case (either criminal or civil). They play the roles of either an attorney or witness in the trial which takes place in front of a real judge. Teams are awarded points for thoroughness in questioning, use of evidence, witness testimonies, and opening and closing statements. Last year, the team won the Chenango County Championship.

Academic Challenge

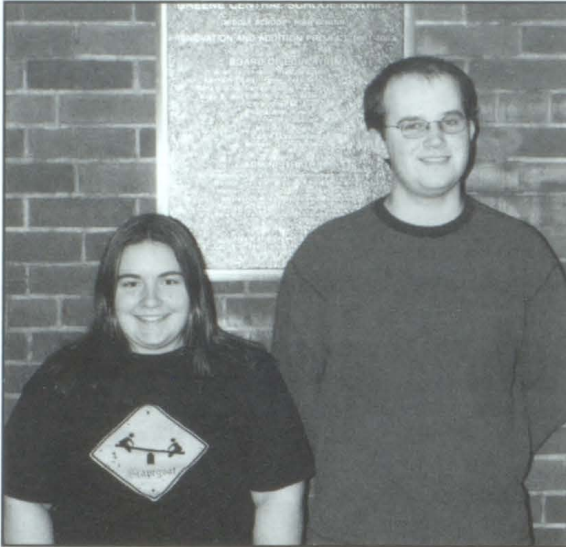

Run by Mrs. Daniels and Mr. French, this group is reminiscent of a 1970's quiz bowl trivia game. Students meet weekly and practice buzzing in to answer questions for points. The team competed in three "Academic Challenge Tournaments," and there was even an opportunity to be on television! Great fun was had by all.

New Visions

When asked about New Visions, Kristen Say reponded with nothing but glowing remarks. With programs in law, medicine, teaching, and agriculture, this school enrichment program gives you hands on experience relating to the field of your choice. Kristen noted that New Visions gives you a sense of appreciation for the work world and commented that "it helps you decide where you want to go with your life."

BOCES

This program is designed to provide students with an alternative to the traditional school environment. Students travel to Norwich for half the school day and learn technical applications for the book-knowledge they have. Programs include Auto Body, Auto Tech, Culinary Arts, Conservation, Nursing, Cosmetology and Building Tech. Mike Hendrickson and Kurt Stolarcyk provided insightful thought on their BOCES experience. "It teaches you responsibility and awareness," they said. This opportunity is primarily open to Juniors and Seniors. Check it out!

SADD

Students Against Destructive Decisions

In this group, students work under Senator Libous' ADSIP (Alcohol & Drug Student Information Program). It's a peer leadership group which educates students on the negative effects of drug and alcohol abuse. Around prom time (bi-yearly), the group sponsors a powerful demonstration which shows the effect of drinking and driving. SADD members also work with the Yellow Ribbon program which promotes alternatives to suicide. Advised by Miss Schindler, this group works hard throughout the year.

Girls Leaders Club

You guessed it! This club is full of hardworking, honest, talented girls who are inspired to promote the continuation of the female athletics program at GCS. This club raises money through a variety of projects and fundraisers, including carwashes and fruit sales. The money is given to girls sports teams to defray the sometimes overwhelming cost of equipment and uniforms. The officers speak at 3 sports award nights each year and make a dedicated effort to celebrate Greene's sports teams. You go girls!

Key Club

This group is all about giving back. Key Club members work throughout the year to raise money. Then, the Key Club chooses a charity organization, a needy family, or service project and donates their time and wealth. Volunteer work has included ringing Salvation Army bells, volunteering at the Greene Open Door kitchen, adopting a family at Christmas, and running a fall blood drive.

Select County & State

It's chorus and band, above and beyond. These students work tirelessly to perfect their craft, and here, they can be recognized. Several festivals throughout the year judge students on their musical accomplishments and discipline. The solos prepared by these students are truly difficult, and could not be conquered by just anyone.

Environmental Club

These are the Envirothon kids. They love the outdoors, and work as a team to learn about current events, wildlife, forestry, ecology, and biology. Utilizing the facilities at Roger's Environmental Center near Sherburne and Beaver Lake Nature Center in Baldwinsville, this group competes for possible college scholarships. Go Planet!

GSA

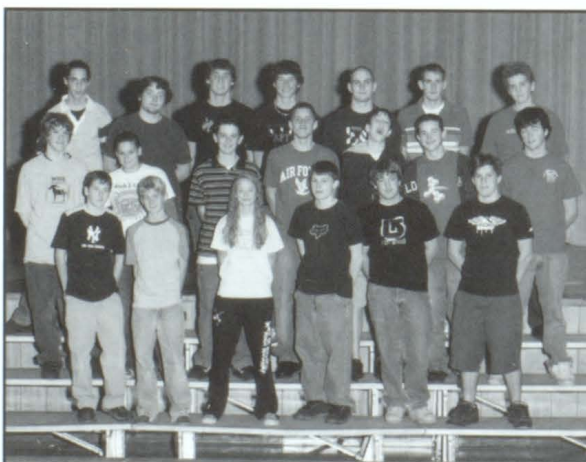

Gay/Straight Alliance

Essentially, this group promotes tolerance. Its intentions are perfectly summarized by the group's mission statement: "To foster respect and understanding among all students; to create a safe school environment where diversity is accepted; to create an atmosphere in which students learn to respect and accept all people, regardless of "real or perceived" sexual orientation or gender identity/expression."

Ski Club

Concussions and broken bones seem to be the appeal for this group. Every Tuesday night throughout the winter, the ski club travels to Greek Peak in Cortland for some midwinter fun. More than that, these students turn it into "extreme sports 101." The stories they come home with every week are nothing short of amazing. Let it snow!

Mrs. Cline and Mr. Case Retire

Mrs. Cline started at Greene Central School and is finishing at Greene Central School. She graduated from Greene in 1968. She went on to Nyack College and graduated from there in 1972. She then attended Graduate school at SUNY Cortland.

Being drawn back to Greene, Mrs. Cline started tutoring and substituting at GCS in 1972. She was a Social Studies and English teacher for 7th and 8th graders from 1974 to 1976. Mrs. Cline then started as a teaching assistant in 1976 which she has continued for the last 28 years.

As a teaching assistant, Mrs. Cline worked in a resource room and also conducted prep and review classes for Global History and US History. Mrs. Cline was not only a dedicated teacher, but has also been involved in numerous school activities including Student Council Co-Advisor, 8th grade advisor, 12th grade co-advisor, and Cheerleading coach. In addition, she has been actively involved in the Teachers Union.

Mrs. Cline was appreciated and loved by both students and faculty. In her more than 30 years spent here at Greene, she will always be remembered as the best.

Mr. Case graduated from Franklinville High School in 1966 and went on to Syracuse University. There, he played basketball for SU and studied History. Mr. Case graduated from the Maxwell school at Syracuse University with a Masters degree in Public Administration. Upon graduation, he worked as a budget analyst at the governor's office in Harrisburg, PA. Later he returned to Syracuse to start his teaching/coaching career at Manlius Pebble Hill. This is where he met his wife, Deb Case. After two years at MCPH they moved to the Southern Tier. Mr. Case worked at Chenango Valley, Whitney Point, and then finally started at Greene Central in 1984. Mr. Case has had 33 collective years of teaching, with the last 21 at GCS. Here, he has taught US History and Government and Economics.

Aside from being a teacher in the classroom, Mr. Case has been a teacher on the court. He started by coaching JV girls basketball for one year, but as the district quickly realized his talent, he soon moved up to coaching the Varsity girls and continued to coach them for the next 20 years. Similarly, Mr. Case has been the Varsity boys soccer coach since 1988.

Mr. Case will be remembered for his sense of humor, caring nature, and quotes of wisdom.

Was born in '87, a bundle of love,
entrusted to us by our Father above.

Yelly, your smile and laugh, your dance to a tune,
could not prepare us for your leaving, oh so soon.
We cradled you from falling, and lifted you to stand.
Walking for what seemed a moment, yet through
these last few years you ran.

You've done it all with charm, grace and poise,
making unto the Lord a joyful noise.
We are so proud of the caring, compassionate young
woman you have become,

Now reach for the stars, follow your dreams, and
have fun.

In Memory of Edward Hitt

Edward Hitt was born in Delbi, N.Y. on April 19, 1958. He went to Walton School and graduated in 1975. Ed then married Sberi Hogan and they had two wonderful kids, Jody and Ferrod.

For employment, Ed ran numerous farms for about 9 years in Walton. He then worked at S.F. Baileys in Walton for 3 years. Then, in 1986, Ed became a police officer in Walton for 2 years. Ed then moved to Greene and joined the Greene Police Dept. He worked there for 17 years and at least half of those years were as Chief. Ed was a very dedicated Chief and was well respected. He was also involved with the Greene Pee Wee Football for about 7 years.

Ed loved to be outdoors in his free time. You could catch him on his John Deere Tractor just about all year round. He also loved to fish with his granddaughter Rylee at his pond and hunt with his son.

Ed lost his battle with a brain tumor on November 16, 2004. He will be greatly missed by all. He was a great person and friend too many.

Friends Never Say Goodbye

*There isn't much I haven't
shared
with you along the road
And through it all, there'd
always be
Tomorrow's episode
Suddenly that isn't true
There's another avenue
Beckoning, the great divide
Ask no questions, take no side
Who's to say who's right or
wrong
Whose course is braver run
Will ever be, ask one*

*What is done has been done for
the best
Though the mist in my eyes
might suggest
Just a little confusion about
what I'll lose
But if I started over I know I
would choose
The same joy the same sadness
each step of the way
That fought me and taught me
that friends never say
Never say goodbye
Never say goodbye*

*Suddenly that isn't true
There's another avenue
Beckoning, the great divide
I would choose
The same joy the same sadness
each step of the way
That fought me and taught me
that friends never say
Never say goodbye
Never say goodbye
Never say goodbye*

The 2005 Greenelite is Dedicated to

Mr. William Case

"Bill has always remained open and tolerant in dealing with people. His integrity and diplomacy, his patience and wonderful gift of listening has allowed many young people to comfortably call on him. It's difficult for me to imagine him anywhere else... anywhere but GCS. The school and the community have truly become home. One thing I also have to comment on is how Bill has always viewed himself a teacher first, and then a coach. His coaching skills are as though the gym is an extension of his classroom. He teaches on the court and on the soccer field. And it's not just game skills, but life skills that he tries to instill."
- Mrs. Case

"As a student, I never wanted my dad as a teacher! But, when I sat in my first class with him I remember being amazed at how much he knew about so many different topics!

When I think of my dad relating to his students, I always think of his sense of humor and ability to relate to kids on their level.

My dad, as a father, friend, teacher, and coach, has a way of reassuring people that in any situation- life will be okay and the sun will still rise and set the next day."
- Words by his daughters, Emily and Erin Case

"Mr. Case excels at the art of inspiring others. He has inspired countless students, athletes and peers to excel at whatever endeavor they chose. He always saw the potential in his students and knew how to help them achieve. His positive attitude and winning ways will have forever influenced this school and community."

- Words by a former student and basketball player.

"He smiled. It was one of those rare smiles with a quality of eternal reassurance in it that you may come across four or five times in life. It faced- or seemed to face- the whole external world for an instant, and then concentrate on you with an irresistible prejudice in your favor. It understood you, just as far as you wanted to be understood; believed in you, as you would like to believe in yourself; and assured you that it had precisely the impression of you, that at your best, you hoped to convey."
A former GCS basketball player quotes F. Scott Fitzgerald's *The Great Gatsby* when thinking of Mr. Case.
