“B”

Barrows

Nancy Barrows better known to the students at GCS as “B”, was a very special asset to Greene High School for many years. “B” began her teaching at GCS in 1969 and retired in 2000. Even after her retirement in 2000, she still came back as a substitute to help keep the youth in her alive. “B” had many things she was known for at GCS. She coached volleyball in the winter where she won several sectional championships. In the spring she coached softball where she saw 400 wins for the program. In the fall she coached field hockey. After coaching modified and JV field hockey for many years she stepped up to lead the Varsity team that had won three straight state titles in 1993, 94 and 95. Not only did she spend countless hours as a coach but also as a friend to many of the students here at GCS. She helped the students feel unique and special each in their own way.

“B” lost her battle to cancer on June 5, 2005.
We will never forget you “B”...

I will never forget “B”, she made a huge impact on my life, if I was feeling down or needing help, she always knew just how to make me feel better. She always knew just what to do, if it was to make me laugh or just to talk about life. She was the best teacher and I miss her so much.”

~Ann Whitmore

“My favorite memory with “B” was when she was my coach for a field hockey tournament at Oneonta State. I was goalie and she came over and pushed me down and said you have five seconds to get back up. When I got back up she pushed me down again and again. This taught me that when you fall you have no choice but to get back up and to this day I will always remember “B” trying to make me the best possible athlete I could be.”

Hilary Frances Davis "Hil-D"

Our "baby bulldozer" who has never let anything get in her way. Seems like only yesterday that you arrived into our world. The only baby we ever knew who could stop herself from swinging in her crank-up baby swing with one hand...well before she could even walk. Wow!!

You have the heart of a fighter and the conscience of a caring soul. Your deep emotion will always drive your passion. Just look at what you have already achieved!! Artist, athlete, scholar, born leader.

You have always colored outside the lines and you have always j-walked without incident. However, remember that greater care must be taken when there is more traffic...And trust us there will be more traffic.

Middle sister, little sister, big sister. You are all three. Never forget our trip to Maine, all the fun we've had at Avalon Beach & Lake Shalmar, and of course all our camping adventures at Fish Creek Pond. You always have and you always will continue to deliver excitement for your sisters & us!!!!

You have worked very smart to be where you are and your future remains bright. You are a born leader. You have withstood your share of disappointments but you have always fought to overcome and you have done so with great success. Continue to trust your heart & soul and you will meet you own, high expectations. You are proof that there truly is no mountain high enough.

Remember the love that your family will always have for you - we will always be here for you and we are excited for you & your journey that lays ahead. We are very proud of you!!!!

Go accomplish with great resolve Captain Hilary, your heart & soul give you the confidence to lead the way.

With much love & respect

Beau;

The overwhelming feelings of love and pride I had when I first looked at you the day you were born, are the same feelings that are even stronger now when I look at you as a young man.

Never can words tell you how much I admire you and respect you for the choices in life you have made and commitment and dedication you have to yourself and all you do.

You are so perfect in my eyes that I am sure you will set your goals exceptionally high and attain each one of them, it's always been in your nature to be that way and any less just wouldn't be you.

Don't forget to laugh at life along the way, sometimes it's the most important thing you can do besides of course being Dan Rather's #1 fan!

Love to you always Mom

And As Always Class Of...

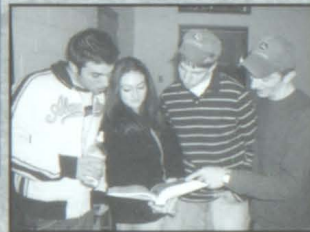

Every now and then
We find a special friend
Who never lets us down
Who understands it all
Reaches out each time you fall
You're the best friend that I've found
I know you can't stay
But part of you will never ever go away
Your heart will stay

I don't need eyes to see
The love you bring to me
No matter where I go
And I know that you'll be there
Forever more a part of me
You're everywhere
I'll always care

I'll make a wish for you
And hope it will come true
That life will just be kind
To such a gentle mind
If you lose your way
Think back on yesterday
Remember me this way
Remember me this way

The 2006 Greenelite is Dedicated to...

Mr. Steven Burghardt

Throughout his 26 years at Greene Central School Mr. Burghardt has shown to his past and present students that he has continued to *Stay Classy* ...

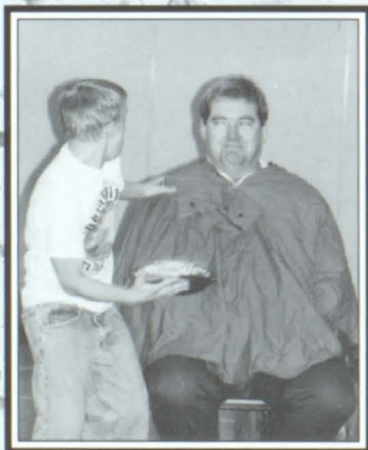

"I forgot what grade I was in, but we were picking up after practice one day. We had to drag these big mats into a storage room. On the way there we started messing around and doing WWF wrestling moves on each other. Just as we approached the doorway to the storage room I ended up between the two mats. So I'm in between the mats and all of a sudden everyone stops messing around. At first I thought they took off leaving me to put everything away. So I looked out from between the mats and all my teammates faces were frozen, their chins were down to their chest. I looked to see what they were looking at and I became immediately ill. Coach Burghardt was running directly at me and I knew I didn't have enough time to get out. I wasn't sure what he was going to do, so I ducked back in between the mats and hoped for the best. When I heard the loud laughter and a few "oh my God," I knew what was coming. Coach belly flopped on top of the mats. He did not hold anything back. The first thing I heard was, 'Is he dead?'" Needless to say, we put the equipment back without any messing around. I've been scared of mats and Mr. Burghardt ever since." -Rick Smith (Class of '84)

"Mr. Burghardt was my baseball coach 15 years ago. His teachings and the way he cares about his students and athletes still impacts me today. I can't remember him ever using words to describe how much he cares about his students, but his actions speak volumes. As a wrestler in high school, I remember him coming to matches to watch, even though he was the basketball coach. As a college baseball player, I remember looking up into the stands and noticing that he traveled a couple of hours to watch his former athletes play. Now as a high school baseball coach, I have looked up into the stands to see Mr. Burghardt still there watching his former students and athletes use the same things he taught us over 15 years ago." -Tim Calice (Class of '92)

"I will never forget sitting in Mr. Burghardt's math class trying to focus on what he was teaching. The entire class was having trouble paying attention that day so Mr. Burghardt assigned homework for us to start. I pretended to need help on the homework and approached his desk with a note. As I leaned over to ask him a question I handed him the note that said, 'Your zipper is down.' He quickly looked up at me with the biggest look of shock I have ever seen from him. He smiled and didn't say another word for the rest of the period. I will never forget that special memory that I just can't seem to forget." -Alicia Campbell (Class of '98)

"I first met Mr. Burghardt when I was in 6th grade, and you could say that I was pretty intimidated by him. Mr. Burghardt's daughter Kyleigh used to play field hockey with my sister on an indoor soccer team. The first tournament they ever played in together was in Lancaster, PA where we stayed in the same hotel as the Burghardt family. All weekend Mr. Burghardt busted my chops and I never could figure out anything to say back to him. Then one morning, we were all eating breakfast and my younger sister, Holly, spilt milk and cereal all over herself, and sure enough Mr. Burghardt had a sarcastic remark to say. And I finally spoke up and said in a deep voice, "THE GREAT OZ HAS SPOKEN!" Lets just say a little sixth grader left THE Mr. Burghardt speechless." - Hilary Davis (Class of '06)

A Few of Mr. Burghardt's Achievements:

- *200 wins as Varsity Boys Baseball Coach at GCS
- *NYS Coaches Honor Award - 1995
- *Press and Sun Bulletin Coach of the Year - 1991
- *Coaching basketball and baseball for 16 years at GCS
