... FLOOD

The week of September 7th, Mother Nature dealt a serious blow to many areas of the Southern Tier. In Chenango County it started with FLASH FLOODING, followed by historic levels of RIVER FLOODING. This is the 3rd flood endured by area residents since 2005. Many families in Greene lost their possessions and had to endure major damage to their homes, appliances, and vehicles once again. This made an interesting start to the 2011 school year.

Faculty & Staff

GCS SAYS GOOD-BYE TO...

Mrs. Mel Vizvary

Mrs. Vizvary became a member of Greene Central School's faculty on August 20, 1987. Since her hire, she has been busy teaching numerous business classes and assisting with extracurricular activities. She has been a volunteer advisor for the Mock Trial Club, as well as the twelfth grade team leader. But a large amount of her time at GC&S has been dedicated serving as Student Council Advisor since 2004. As the Student Council Advisor, she has done many things to not only help the organization, but also to help make GC&S better for the students. She has taken students to NY&CL&A Leadership Conference every year, has overseen many fundraisers throughout the school year to better our community, and has brought in guest speakers and assemblies to speak to our students about different topics to help make them better individuals. Mrs. Vizvary has spent countless hours here at school late at night chaperoning dances, counting homecoming ballots, decorating for dances, delivering can goods, organizing parades and doing many other tedious jobs that can easily be overlooked. It is no surprise that Mrs. Vizvary has no plans except to relax and spend time with family after retiring, which she has definitely earned. We're extremely grateful to have had the opportunity to work alongside of Mrs. Vizvary during her final year at Greene Central High School.

We, along with the rest of GC&S, will not forget all you gave of yourself and your time to Greene and its students.

Rachael Cox (Student Council President, 2011-12) and Natalie Greene (Student Council Vice-President, 2011-12)

THANKS FOR ALL YOU HAVE GIVEN TO GCS THE PAST 25 YEARS!

As the youngest, nothing has come easy to you.
You fought for our attention, you fought to be heard.
You fought to learn and you fought to achieve.
As a result, you are determined and strong.
You will blaze your own path, and speed into life.
As we look into the future, it is as far as we can see.
So make each tomorrow be the best that it can be!

Dearest Son,
Where did the time go?
When we look back
To watching you grow.

You ran before walking
You chased the sun
You grew into yourself
You laugh and have fun

We lay down a challenge
You walk right through
You know in your heart
Nothing you can't do

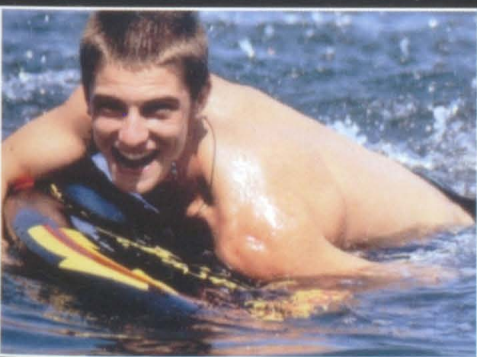

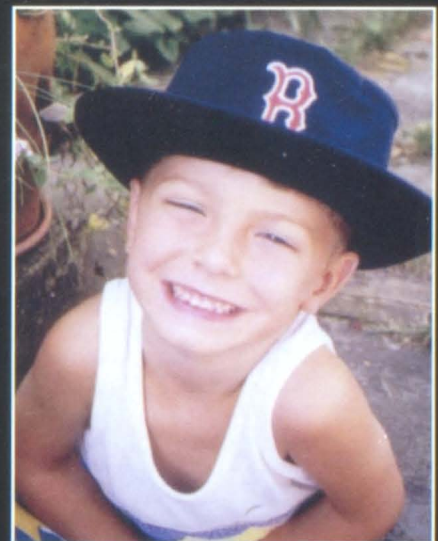

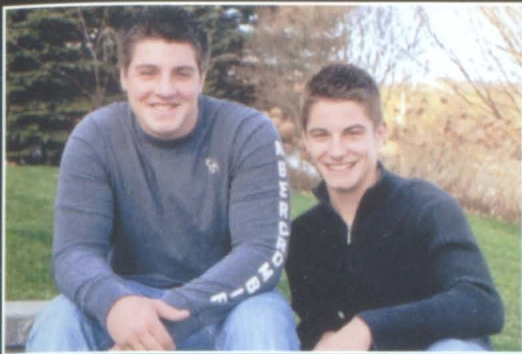

The opportunities before you
They will challenge and vary
You will face them head on
Embrace-do not tarry

Time is a clock
That ticks on your side
What comes next?
You get to decide

Just know in your heart
There's a place you call home
That will beacon to you
Wherever you roam

A lifetime ahead
It starts today
Our love will go with you
You lead the way.

We are so proud of you & love you much, Mom & Dad

Keegan, you have been nothing but a source of pride for us, and we look forward to seeing you start out on a new incredibly wonderful journey. Always remember, we love you forever, we like you for always, as long as we're living, our baby you'll be. Mom and Dad

Keegan Sean, It has been wonderful watching you grow from a little boy who couldn't say cloud to the beautiful, intelligent, young man you are today. Although you are my younger brother, I admire a lot of your qualities and look up to you in more ways than you know. I would like to thank you for always being there for me and supporting me in everything I do. Someone once told me that you should always keep one piece of paper in each pocket at all times in order to stay balanced. One that says, "I am the most important being in the universe" and the other saying, "I am nothing to the universe". As you begin your next endeavor, allow yourself to find balance. Reaching a certain level of balance will allow you to soar in everything you do while you keep your feet grounded in the soil. Stay true to yourself and always remember that in the end your biggest and only support system is your family. I love you Keegan. You will go far. Love, Michael

Keegan, August 26th, 1993, my best friend was born. We grew together for the last 18 years. All the fun times from letting you sling shot rocks at my feet and accidentally breaking a window, to playing with Barbie's and GI Joe's, building jungle gyms in our rooms, you killing spiders for me, racing barefooted in the snow, flip competitions on the trampoline, holding your hand by the snakes at the fair because you were so scared to walk alone, being on the side lines cheering for you at every event. When you go to college you may be miles away physically but I know you will always be here for me. My little brother has grown into a successful man, I am proud of you for everything you have done this far and everything you will do in the future!

Love you forever, Your #1 fan, big sister, and best friend, Chelsea

Rachael Cox

My, how you have grown! Before long you will be moving from home. Seems like yesterday you were just a babe, and now you have turned into a beautiful young lady. Just remember that God is always with you in everything you do.

Cathy Stahl

Cathy (Joe) –

The roads we've traveled so far have been many, the experiences are so bountiful. We certainly have enjoyed so much together.

The little girl who once held onto our hands has grown into a young lady ready to let go.

We've watched you work so hard and you're always so dedicated and faithful with everything you're involved in. Remember to keep your faith and we hope you never have to settle for less than your dreams.

We now let you go to travel your own road, but know, we will always be there with our hands out for you to hold.

We are so proud of who you have become.

Congratulations!

Love,
Mom & Dad

Cathy,

I can't believe it's your time to graduate and go out and do big things. Anything you choose will lead you down the road to success, I know that for a fact. You are a smart girl, and I'm proud to say you're my sister. Good Luck with college and your future! I love you sis! "Sisters by chance, Friends by choice."

Love,
Stephy

Ariel Moran

Ariel,

It is hard to put into words how extremely proud we are of you. You have become an amazing young woman even through everything you have had to face at such a young age. You have always stayed true to yourself, your friends and your family, never letting anything define who you are. You are an original to say the least and have been blessed with style, beauty, procrastination and sarcasm that you have turned into an art form. You face every challenge with grace and dignity and never dwell on the things you cannot change but conquer the things that you can. The oldest of many you have been an extraordinary role model. You will move forward in life and even though mommy does not want to let go, the world is yours, the possibilities are endless and regardless of your limitations you will succeed. May our angels in heaven stand by your side throughout your journey and may your dreams be your guide.

Love,

Mommy

(John, Johnny, Rochelle, Caden, Melana, Lillie and Noah)

Ariel,

Although you were a cranky colicky baby, you have become a sweet and lovely young lady. We are proud of you and wish the best for you in any career you choose.

With love,

Grandma and Grampie

Mrs. Rebecca Philippone

Mrs. Philippone became a part of the Greene faculty family in 1992. She never dreamed she would be a teacher but instead saw herself as a flight attendant, map maker or a translator. However, through a lucky sequence of events, she was called to teaching. In addition to teaching, she has been involved in numerous clubs and activities. She has coached girls soccer, track and JV cheerleading. She has organized and led trips to Europe for students to experience the culture of France and Spain first hand and she has assisted in fundraising for cancer awareness organizations. Besides teaching full-time, she devotes much of her time to her husband and three daughters. She also has a great passion for David Beckham and staying tan. Mrs. Philippone's students say that she teaches them more than just French she teaches them how to be individuals that are open-minded to the world around them. The Class of 2012 will never forget your passion and determination to open our minds in a way no one else has.

Thank you Mrs. Philippone for all you have taught us!

"You gain strength, courage and confidence by every experience in which you really stop to look fear in the face." Eleanor Roosevelt

ARAB SPRING

Citizens of various nations across North Africa and the Middle East rallied against corrupt or oppressive leaders in a movement coined Arab Spring. The outcome for Libya was the overtaking and death of dictator Muammar Gaddafi. Nations such as Egypt, Syria and Yemen also set the stage for a political shift with revolutions of their own.
