Who Said It?

I'm kind of a **BIG DEAL** because...

- 1) I HAVE BEEN IN BIOLOGY CLASS FOR 12 YEARS AND I CAN'T GET OUT!
- 2) I wear the pants.
- 3) **I embrace my nerdiness, because there's no denying it.**
- 4) I get to play fun games all day long!
- 5) *I'm the old English teacher.*
- 6) **Not only am I a renaissance man, but I have the perfect blend of looks, intelligence, talent, wit, and modesty.**
- 7) I get to work with the 100 most important people in the school.
- 8) I recite Shakespeare for fun.
- 9) I'll be the first one to restart somebody's heart if they need it!
- 10) I love 'merica.

GCS says goodbye and good luck to... Mrs. Donna Utter & Mrs. Beth Daniels

Mrs. Utter started working at GCS in 1985. After graduating from Greene, and majoring in business, she attended Rochester Business Institute and graduated with honors and a diploma in Legal Secretarial Science. Mrs. Utter worked as a Legal Secretary for 5 years prior to being hired at GCS. When she was hired to work here in Greene, she was a Typist for the High School Office, but during the last 30 years, she has held various positions within the school district. She has worked in the Middle School Office, the Business Office, and will be ending her career working in the High School Office. Within the high school office, Mrs. Utter is responsible for all aspects of staff and student needs. In addition, she plays a large role in organizing Moving-Up Day and Graduation. Since 1990, Mrs. Utter has been the District Clerk for the Board of Education. She has also been a Vote Teller and part of the Crisis Response Team. She has been the Varsity Bowling coach for the boys and girls teams for 10 years. She even helped with Senior Class duties when there was a need in 2009.

Mrs. Utter has done several things behind the scenes to keep our school organized and functioning smoothly. The Greene School District and community thank you for your many years of service and dedication. You will be greatly missed at GCS!

Mrs. Daniels started at GCS in 1980. Prior to working here, she graduated from the University of Michigan and got her Bachelor of Arts, then she got her Permanent Certification in Math from SUNY Binghamton. She received the Michigan Regents Alumni Scholarship in 1975 and graduated 5th out of a class of 633. Mrs. Daniels has worked as an Auction Cashier/Clerk, and has worked at Wendy's, Hygrades Food, Inc., and Elias Brother's Big Boy Restaurant. In 1980, Mrs. Daniels was appointed to the position of a 7-12 Math and Social Studies Teacher. Since then, she has taught a variety of Math, French, Social Studies, and Computer Programming classes. Outside of the classroom, she has been an Advisor for JV Football Cheerleading, the Senior Class, Academic Challenge, and HS Honor Society. She has also been the Math Department Chairperson, and has been very active in our school's Footlights productions. On top of all of this, she has helped with our Modified and Varsity, Girls and Boys Swim teams, as the announcer for the home meets - announcing the scores, times, swimmers, and the lanes of each event.

Mrs. Daniels is respected and appreciated by many students and teachers. We would like to thank her for dedicating 36 years to Greene Central School and our community.

SREYDY ZIOBRO

Song Of The Flower Xxiii (Khalil Gibran)

I am a kind word uttered and repeated
By the voice of Nature;
I am a star fallen from the
Blue tent upon the green carpet.
I am the daughter of the elements
With whom Winter conceived;
To whom Spring gave birth; I was
Reared in the lap of Summer and I
Slept in the bed of Autumn.

At dawn I unite with the breeze
To announce the coming of light;
At eventide I join the birds
In bidding the light farewell.

The plains are decorated with
My beautiful colors, and the air
Is scented with my fragrance.

"To live out of love is to
keep in oneself
A great treasure in a
mortal vessel.
To live out of love is to
navigate unceasingly.
Sowing peace,
joy in all the hearts."

- St Therese of Lisieux
(a.k.a. "The Little Flower")

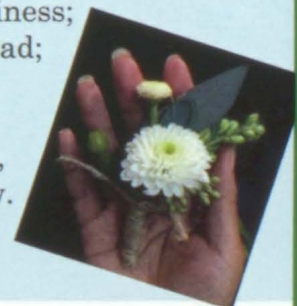

As I embrace Slumber the eyes of
Night watch over me, and as I
Awaken I stare at the sun, which is
The only eye of the day.

I drink dew for wine, and hearken to
The voices of the birds, and dance
To the rhythmic swaying of the grass.

I am the lover's gift; I am the wedding wreath;
I am the memory of a moment of happiness;
I am the last gift of the living to the dead;
I am a part of joy and a part of sorrow.

But I look up high to see only the light,
And never look down to see my shadow.
This is wisdom which man must learn.

Congratulations, Sreydy! To our beautiful and precious flower.
May you continue to blossom and grow right into the next phase of your journey.
We love you and your bright shining spirit!

BRYNN MARKER

Thank you for the wonderful adventure you have given us - from the happy "Buddha" baby to the beautiful young woman you are. What joy, entertainment, and challenge you bring to our family! May your strength, determination, talent, and loyalty serve you well as you continue to grow and give to the world around you and beyond. Congrats! We love you, Mom and Dad

Brynn, you are such a driven, caring, and overall amazing person. I have truly enjoyed watching you grow and sharing so many wonderful experiences with you. You have made my life incredibly full and entertaining. You have big dreams, but even bigger strength and determination, so I know that whatever you set your mind to can and will be accomplished. You will always have my love and support. I wish you the best in all your future endeavors and I cannot wait to see what you achieve. Lots of love, Sierra

Brynn, I know I speak for both of us when I saw how proud we are of the beautiful and talented young lady you have become. You have brought us much joy as you have grown from a cute loveable baby to a dynamic (look out or I'll run over you) child, to a caring (and still dynamic) young lady. Your intellectual and athletic talents are admirable but most important is your gift of caring. You care about other people, animals and the world in general. And, your gift of caring is also dynamic as you put into action your ideals and talents to help make the world a better place for all of us. May your life be full of rewarding experiences and other loving and caring people. You will always have a special place in our hearts (on earth or here after). Lots of love, Grammi and Granddad. PS: Grammi always wanted a sports car. Would you take her for a ride in your "spiffy" car?

I can't believe what a grown up young woman you have become even though I can still carry you around under one arm. I'm so proud of you and I am honored to be your most favorite uncle! Love, Uncle Mark

We love you and are ready for driving lessons in your Camero, Andrew & Kevin!

JOHN DANIEL HADAC

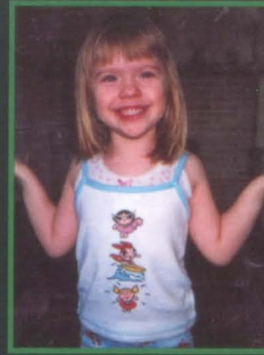

John Daniel,

The years have flown by and what a pleasure it has been to watch you grow into the man you are today. You are truly loved. We are so proud of you. Congratulations!

We wish only the best life has to offer to each of you as you move on to the next stage of your lives. We know you will handle it with determination, strength, courage and care for others.

“We hope you never lose your sense of wonder,
You get your fill to eat but always keep that hunger,
May you never take one single breath for granted,
GOD forbid love ever leave you empty handed,
We hope you still feel small when you stand beside the ocean,
Whenever one door closes we hope one more opens,
Promise us that you'll give faith a fighting chance,
And when you get the choice to sit it out or dance.
We hope you dance!” ~ Lee Ann Womack

Love always and forever, Mom, Dad, Grandma Pat, Grandpa Whit, Grandma H, and Bruno

ROCHELLE MORAN

It does not seem that long ago that you used to smile, giggle, and brighten my day by jumping in my arms or snuggling in my lap. It doesn't seem possible that we are so distant with each other and find it hard to communicate. I never imagined you changing so much.

"You will make a lousy anybody else, but you will make the best "you" in existence."

~ Zig Ziglar

Once so close, now so far apart. I will admit I don't always like how you act, I don't always appreciate your attitude, but I will always love you. You will always be my daughter, I will always be proud of you, I will always brag about you, and never ever will I be able to deny that you are very much like your mother.

"Failure will never overtake me if my determination to succeed is strong enough."

~ Og Mondino

You are an amazing, strong, beautiful young woman whom I have the pleasure to call my daughter. I could not be more proud of you, your accomplishments and willingness to try with rewarding success.

The world is out there for you to conquer and no matter what path you choose I know you will succeed. You told me that you use no excuses to hold you back, that will allow you to go further than you ever dreamed.

May your future be everything bright, and more than your dreams could dream.

Congratulations Bean!!!

Love Always and Forever,

BRANDEN DESMOND

It usually takes more than three weeks to write a good impromptu speech said American writer Mark Twain. So having a ready tribute the night before the assignment is of course impossible, but here it goes:

One of my first meetings with "the chosen one," was while he tried a trick he learned from his brother, where he stuck his finger in his mouth and proceeded to give me a "Wet Willie" . It's been all down hill for parental authority ever since. Unfortunately for all of us, soon this incorrigible young man will go on to outrage and defy his way until all mankind succumbs to his will out of love and/or desperation. I'm sure his quest to go be a "lawyering" will be a breeze to him. Great speaker and writer here but one word of warning. Watch out for what he tries to stick in your ear because it might be another of those "Wet Willies".

Your co-conspirator and faithful ally,
Tom

Branden,

Since the day you were born you have been the best son that a dad could ask for. Seeing you grow up, your dreams and ambitions have been more than a joy to watch. The person and man you have become are amazing to me. I am more than proud of you. Congratulations kid!

Love, Dad

Branden ,

In what seems like the blink of an eye ... You went from baby "Bobby blankets" to flying cows, many Norberts, Harry Potters, Xbox, PlayStation ,Game of Thrones, our late night chats, and of course your "commie" ways... And now you're an intelligent, talented, hardworking, kind, witty young man. Wow! You never cease to amaze me. I am incredibly proud of you. Always follow your dreams and be true to yourself.

"It is our choices that show what we truly are, far more than our abilities." -Albus Dumbledore

MRS. DANIELS IS A BIG DEAL!

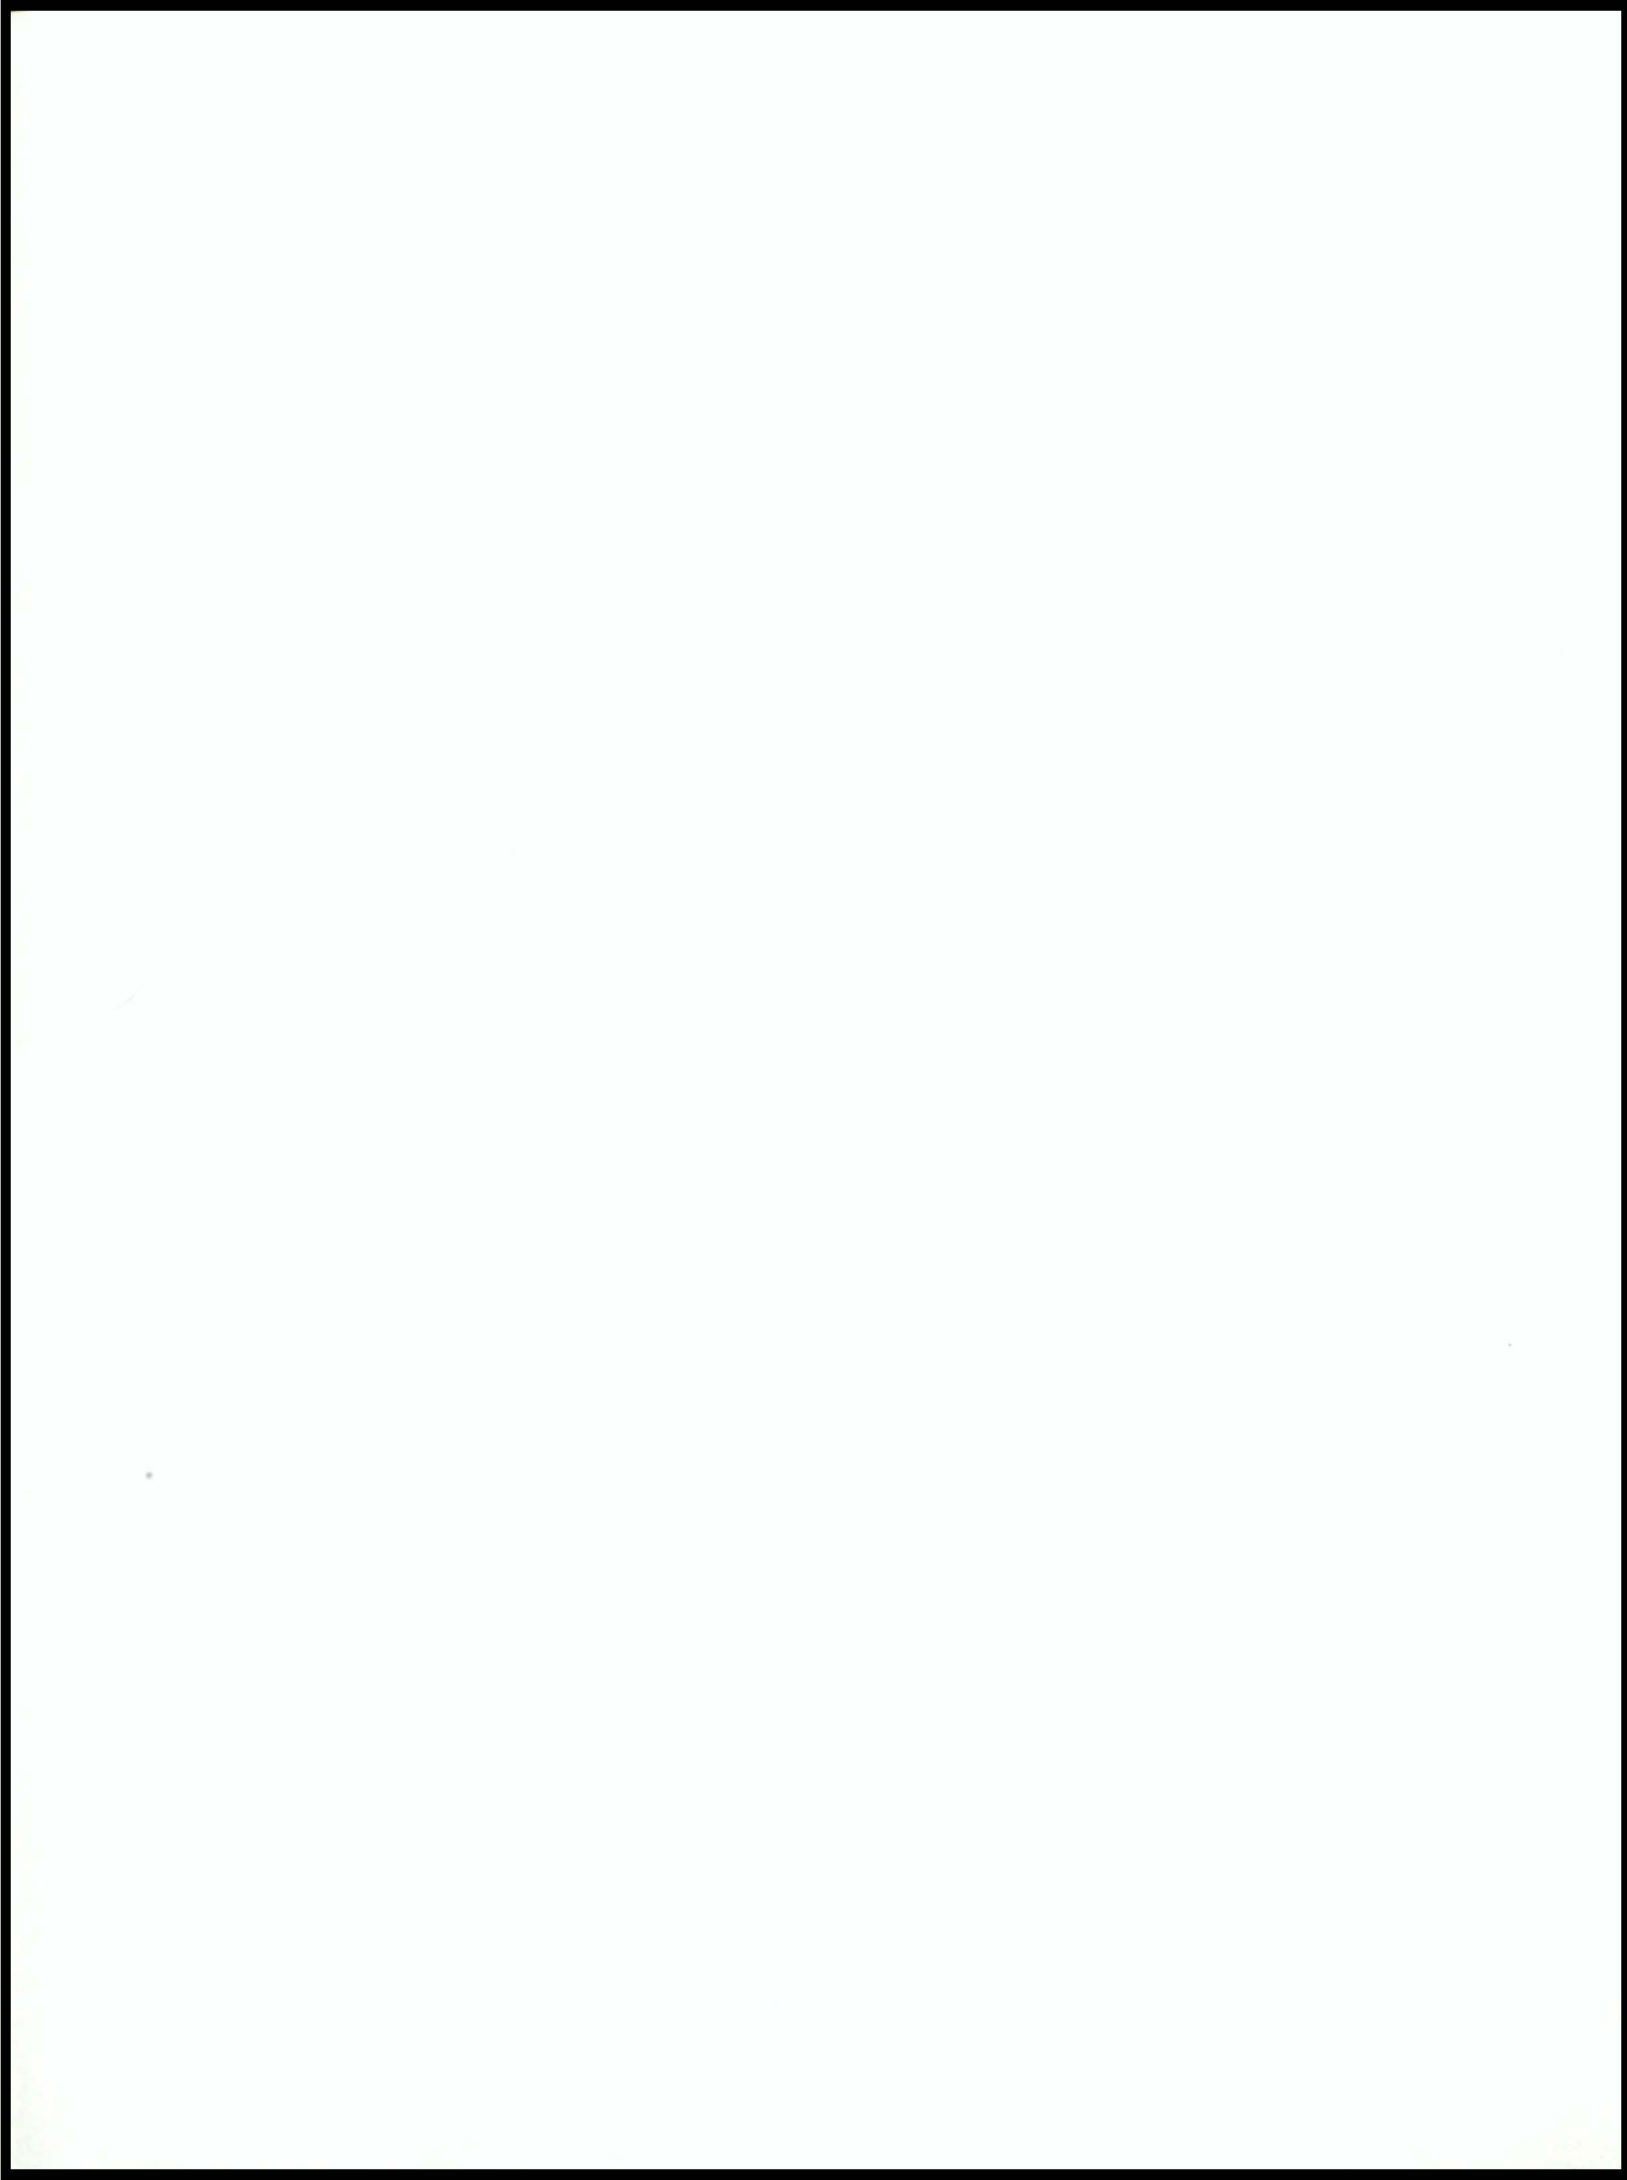

In every school there is that one teacher that is a BIG DEAL!

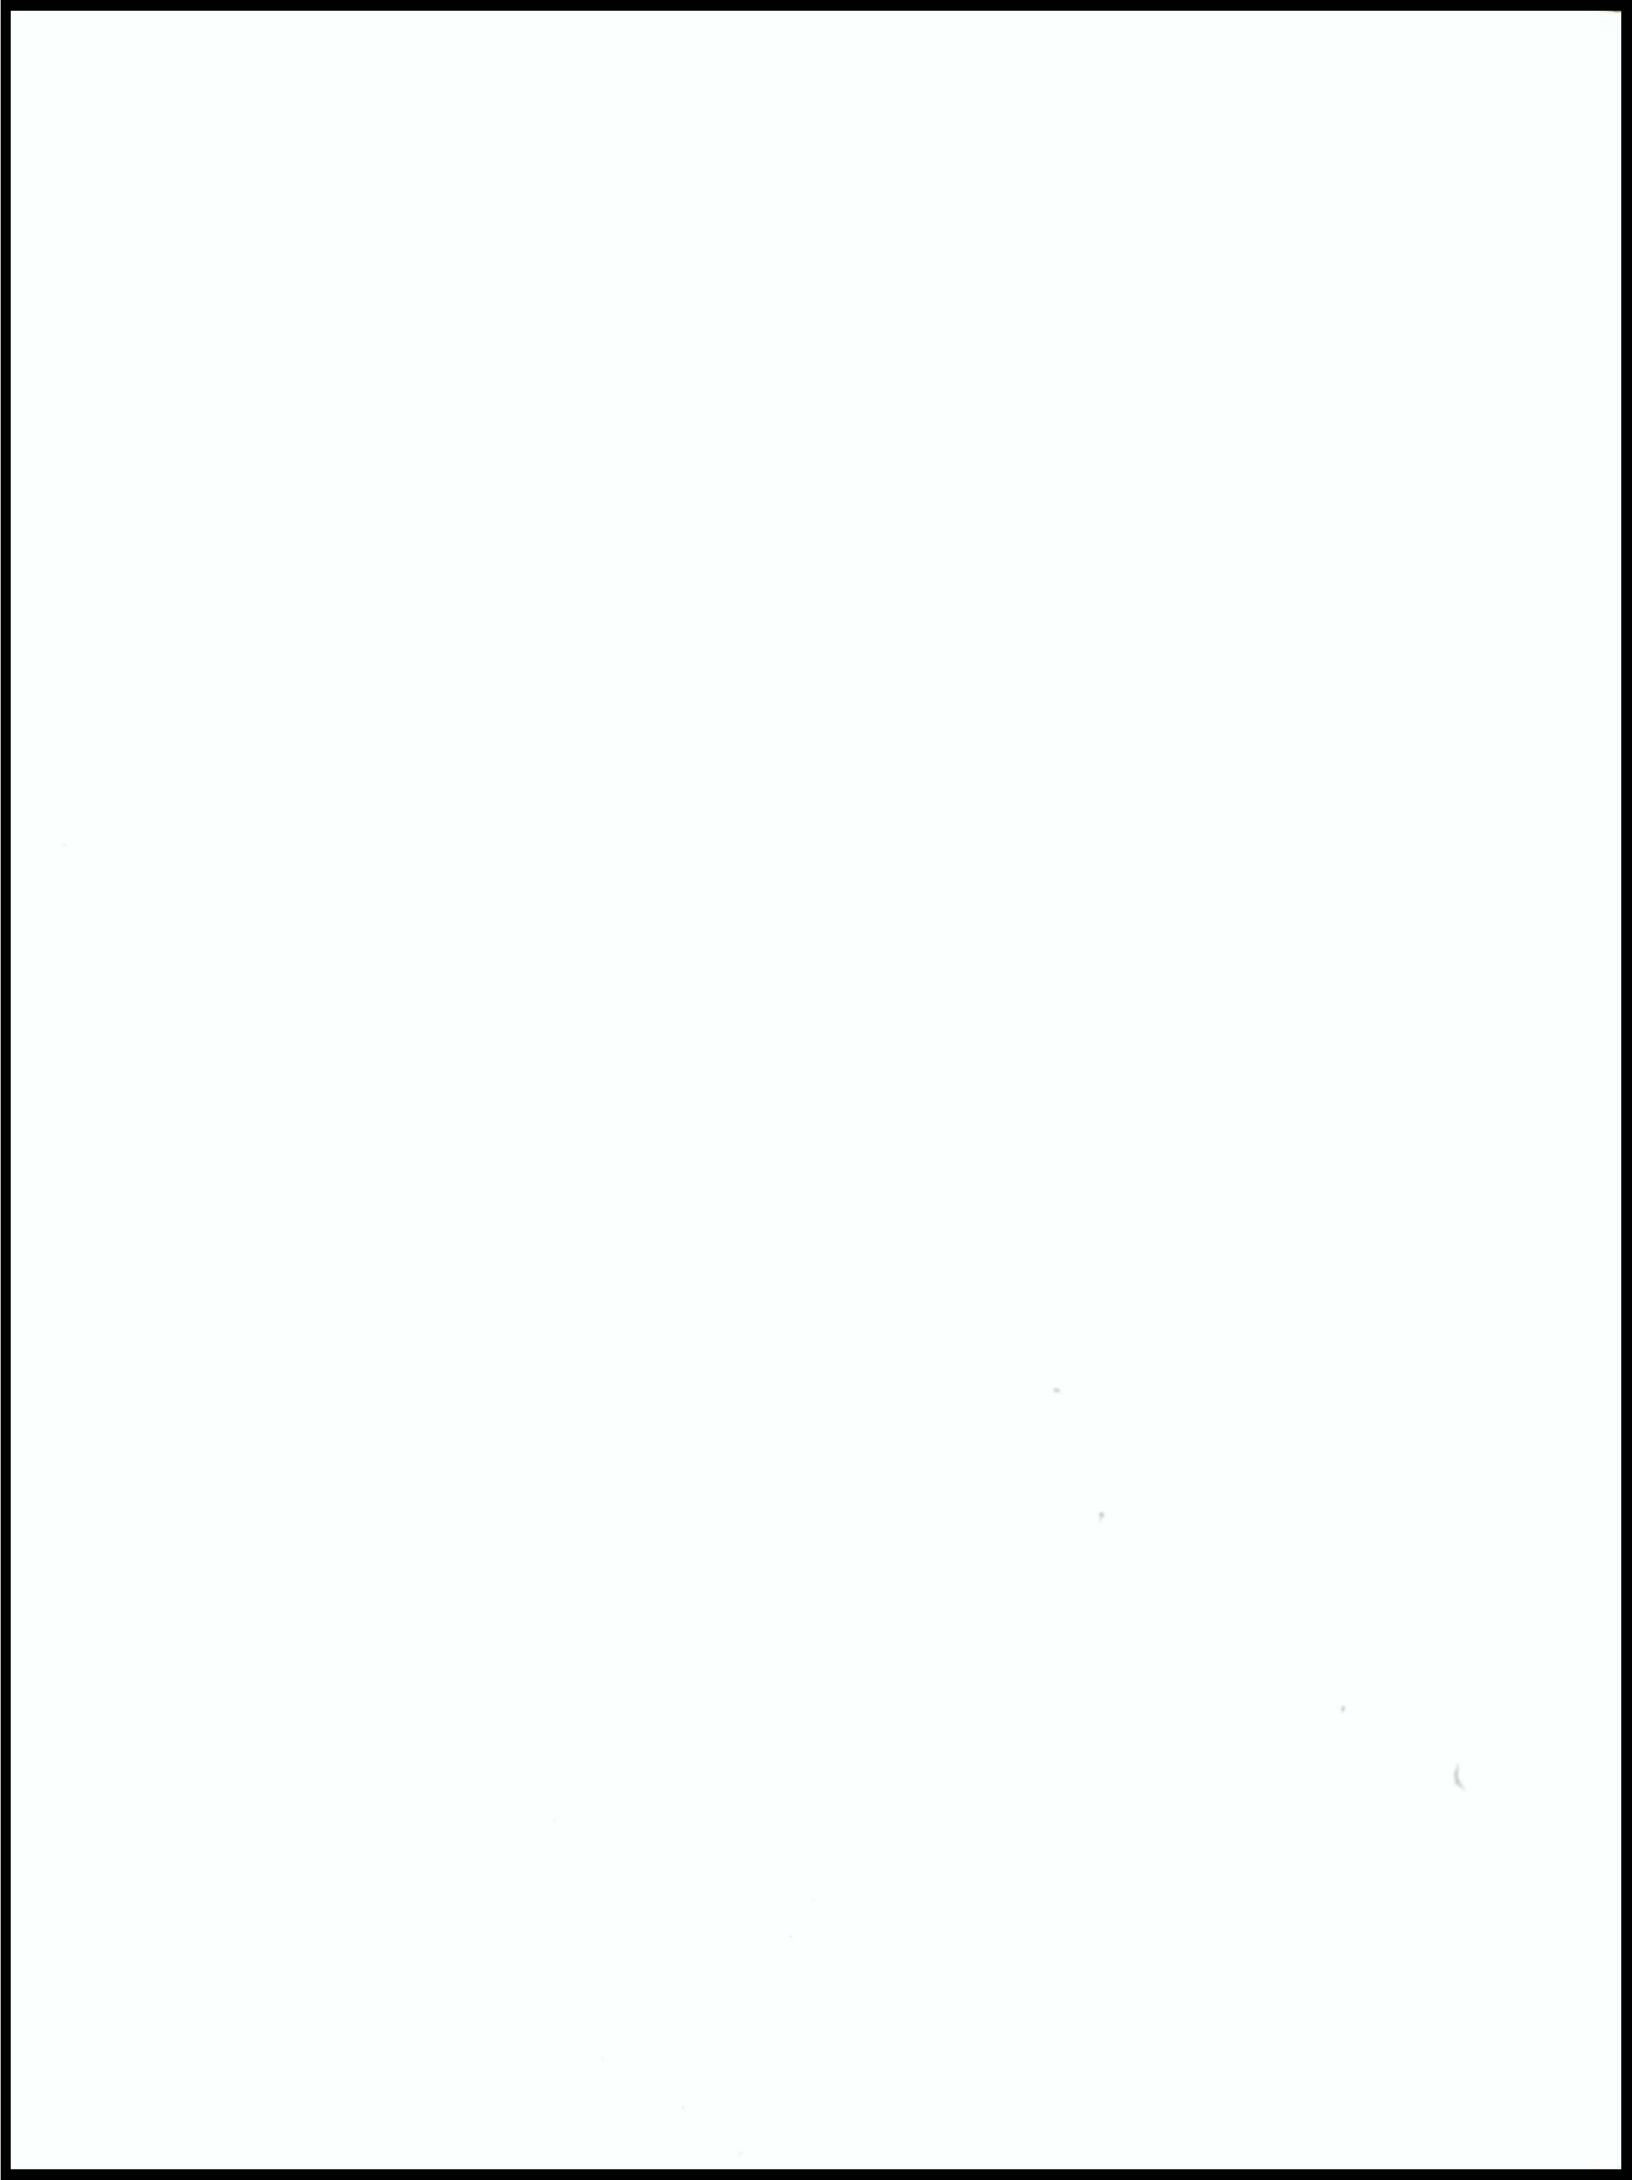

They push us to be the best we can be and then push us just a little further than we thought we could go. They hold us to the highest standard and don't allow us to fall short.

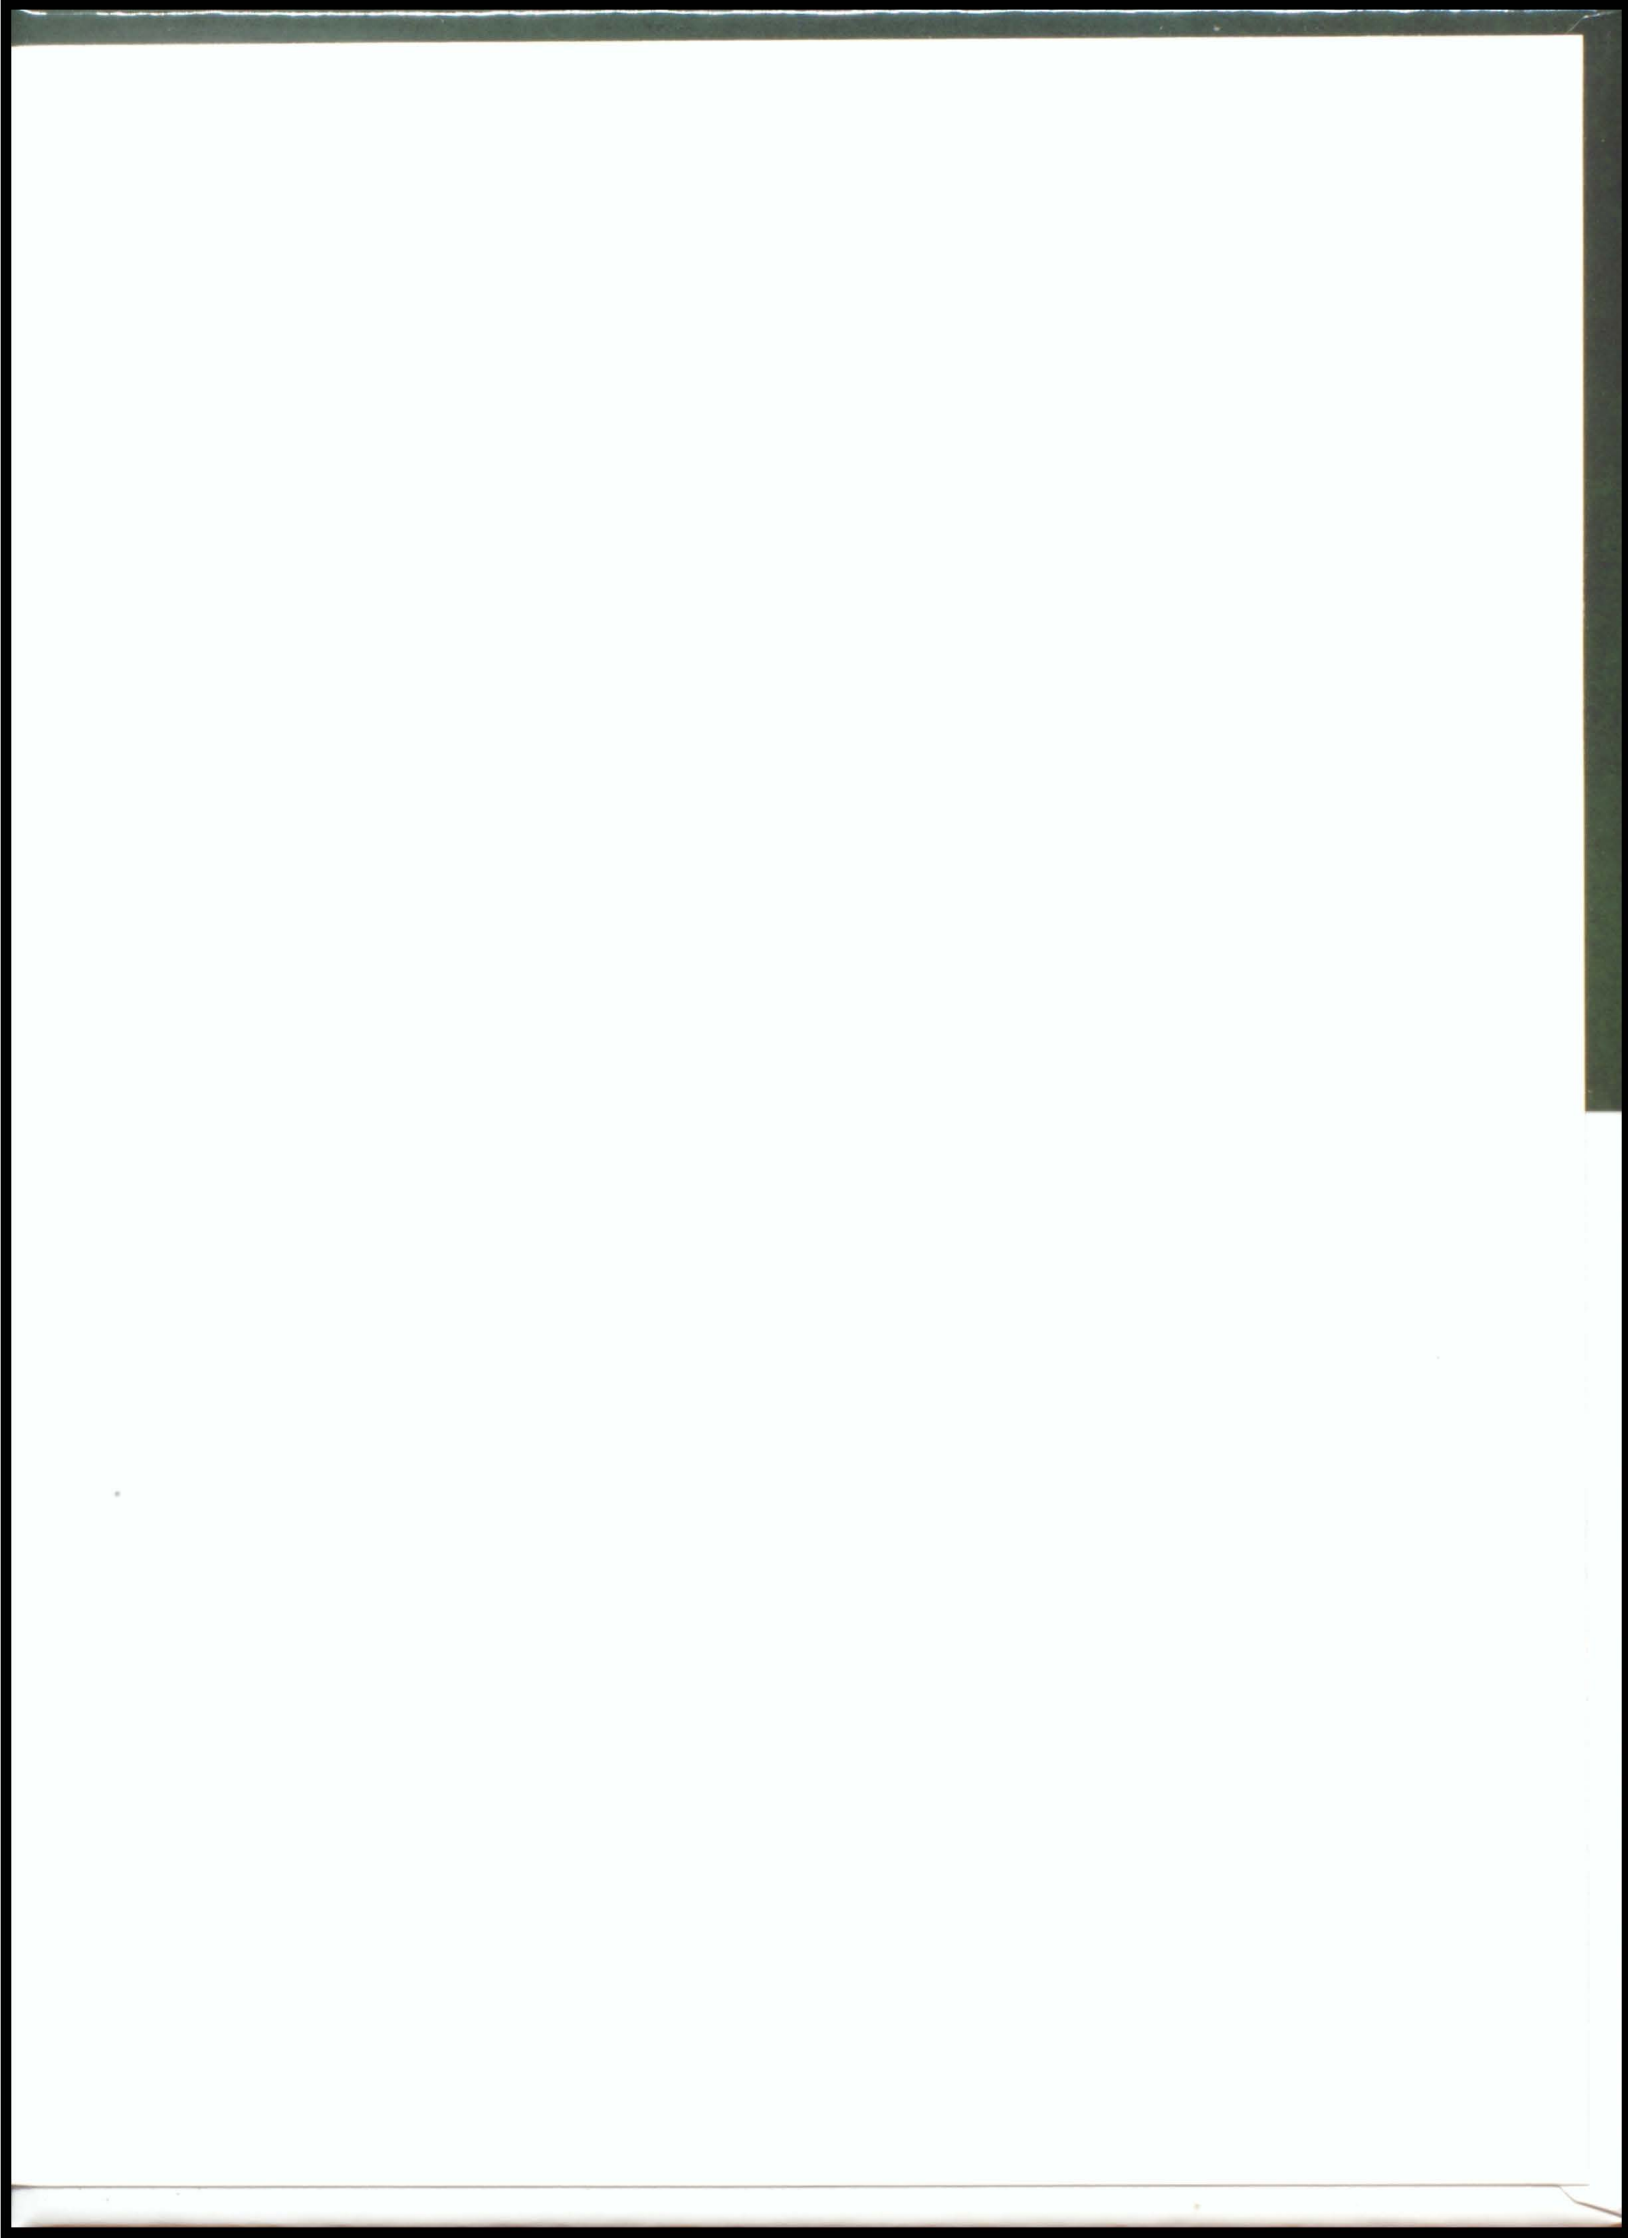

Because Big Deal Teachers are rarely seen smiling, upperclassmen and older siblings pass down stories which strike fear into the heart of every student who walks down the hallway. These teachers possess a singular focus on excellence. Inside their classrooms, there will always be homework - even on the first day of school. They never give a free day in the classroom, and they always give a test on the last day before vacation. If that test grade is low, there will be no test corrections or re-takes given.

Our Big Deal Teacher constantly reminds us where to focus. She shines light on the murkiest lessons, and she reminds us what life will require of us after graduation. She encourages us our participation in the arts, yet she isn't afraid to make a fool of herself for a good cause or to support our extra-curricular activities.

This yearbook honors one of these rare educators who is comfortable being all of the above. The teacher we are honoring this year reached outside of her classroom, providing leadership to our Honor Society and Academic Challenge Teams. She has assisted on the stage crew for Footlights, has been the announcer for home swim meets, coached cheerleading for a short time, and even filled a gap as Senior Class Co-Advisor when there was a huge need. Yes, this teacher may be locally famous for her toughness in the classroom, but many alumni attribute their preparedness for college (and beyond) to her. For these reasons and many more, the Class of 2016 is respectfully dedicating the 2016 Yearbook to Mrs. Daniels!
